Assistant Engineer,

To

The Chief Engineer,

through The Executive Engineer,
South West Division.

Sir,

I have the honor to report that you will be so good as to obtain the necessary sanction for my withdrawing Rs 535 from the Civil Engineer's Provident Fund, to be recovered from me in instalments as per Code rules.

My father who died in August last left me a pretty large debt along with some land. The last harvest did not prove as good as ~~was~~ expected, and the price which paddy fetched was below the normal. I felt a little difficulty to fulfill my promise to my father's creditors without withdrawing from the Civil Engineer's Fund a portion of my deposit in it.

I have the honor to be,

Sir,

Your most obedient servant

S. H. Subramanyam Esq.

Asst. Engr.
