No. 566

West Coast Division Office,
Camp. Tellicherry, 27th Aug 86.

From,

The Executive Engineer,
West Coast Division,

To,

The Superintending Engineer,
IV Circle.

Sir,

With reference to your No. ⁶¹⁶/_{W.C.}
dated 20th August 1886, I have the
honor to recommend that a per-
sonal allowance be granted to
Clerk D. Narasinga Rao who
was a permanent 4th Class, 2nd grade
Clerk in the late B. Project Div.
and whose salary when attached
to that Division was Rs: 36 per
mensem.

2. On the abolition of the B.
Project Division he was appoint-
ed as 4th class 3rd grade Clerk in the
West Coast Division on the maxi-
mum salary of his grade Rs: 30
which,

which I beg to state is a great hardship to the clerk considering that he worked well in the late B. Project Division and should therefore not suffer pecuniarily by a transfer to another Division.

3. When the clerk was appointed to the late B. Project Division he was under the impression that being a permanent hand any changes in respect to the abolition of the Division would in no way affect him, and for him to be reduced to a lower grade for no fault of his whatever, but simply because the Division has been abolished is naturally felt by the clerk as a great grievance, and I therefore request that under the circumstances you will reconsider his case by giving back to him his former grade and salary or obtain for him a personal allowance of Rs. 6 referred to in

in para 1 of this letter.

I have &c,
/ Sd/ N. S. Taylor.

Enclosure. 1

Sir,

1 copy of West
coast Div. Officer's
letter. No. 566 of
27th Augt/86.

I have the honor to forward
copy of a letter from the Executive
Engineer, West Coast Division re-
commending a personal allowance of
Rs. 6 per mensem to D. Narasingaiah
who held the appointment of clerk
IV Class. 2nd grade (the pay of which
is Rupees 30 to 40) in the B. Project
Division from May 1883. On the
date (15th July 1886) of abolition of
that Division, he was drawing
Rs. 36, and as the appointment
ceased on that date he was pro-
vided with an appointment
Clerk
of IV class, 3rd grade (pay Rs. 20 to 30) and
he

he draws Rs 30, from 16th July 1886,
being the maximum pay of the latter
grade.

2. D. Narasinga Rao's service
in the Department commenced in
May 1867 and in consideration
of his long service I request you
will be good enough to obtain the
sanction of Government to his drawing
a personal allowance of Rs 6 per
mensem from 16th July until he can
be provided with a place on the
same pay as he formerly drew.

3. The Examiner of P. W. Accounts
disallowed the claim from the
Salary Bill of the Executive Engineer
for July pending the sanction
of Government.

I have the honor to be
