GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts), dated Madras, 25th March 1888, No. 5490:—

With reference to G.O., No. 946 W., dated 22nd March 1888, I have the honor to forward a special indent, in triplicate, on the Home Government for 50 tons of coke for foundry use. The seven tons coke ordered for despatch to the Superintending Engineer, I Circle, for the Dowlaisweram workshops is awaiting shipment.

2. In the indent are also included two gallons of "vitros" or liquid porcelain, white—one gallon dark blue and one gallon black—required for experimental purposes. There is a number of enamelled iron gauges in store, the enamel from which is scaling off. One of these was sent to the School of Arts sometime ago, but was returned as not repairable. It seems that with liquid porcelain these gauges may be repaired:

3. "Vitros" is described in the advertisement as "liquid porcelain paint for home use. Surface hard and brilliant like China. Resists boiling water, does not blister or crack. Snow white and all colours."

No. 139 W.

Forwarded to the Chief Engineer, Public Works Department, with the necessary certificate.

MADRAS,

Establishment.

READ—the following papers:—

From ALFRED JOYCE, Esq., General Superintendent, Public Works Stores, to the Superintending Engineer, V Circle, dated Madras, 16th April 1888, No. 48 S.

I have the honor to forward, for submission to Government, through the Examiner, Public Works Accounts, special indent, in triplicate, for two type-writing machines, &c., required for use of the office of Examiner, Public Works Accounts.

2. In G.O. No. 2526 W., dated 23rd September 1887, sanction was accorded for purchasing these machines from Messrs. Newman and Co., Calcutta, but as this firm as well as others had none, but were willing to import them, the offer was declined by the Port Storekeeper, Calcutta, to whom I had applied to examine and purchase the machines, if approved. I referred the above to the Examiner, Public Works Accounts, who desires that the machines may be obtained from England, and, in accordance with his wish, the enclosed indent is forwarded.

No. 222.

Forwarded to the Chief Engineer, Public Works Department, through the Examiner of Public Works Accounts.
