To W.

The advances made to the office establishment of the Godavari Central Division for building houses may be sanctioned under P. W. Code para 454, rule VII, and Appendix K of the same Code.

2. Article I of Appendix K. lays down that advances to officers, for the above purpose would be made by the Government, which probably means that the sanction of Government is necessary in each case, but as it is nowhere definitely stated who is to sanction such advances, I beg that Government may be asked for a definite ruling on the point.
