DOWLAISHWERAM, 25th June 1887

West 25th June 1887.

SIR,

I have the honor to bring to your notice that the Examiner of A.R. Accounts has raised objection to pass salaries to the Clerks named in the margin who were appointed in 1884 & 1885 to fill vacancies in the Vizagapatnam and Godavari Eastern Divisions. His reason being that the permanent Clerks employed under temporary Overseers in the Godavari Western Division should have been transferred to fill the permanent vacancies in the Vizagapatnam and Godavari Eastern Divisions & their places filled by the temporary men with the sanction of Government and that by this arrangement the appointments

to the permanent Establishment of the
Clerks named in the margin might
have been avoided. M. Ch
G. V. Narasimha

(2) Owing to deaths or removal amongst
the permanent Overseers in the Western
Division Godavari, their respective Clerks
(permanent men) had to be employed
under the temporary Overseers who took
the place of the permanent Overseers &
it would have caused much incon-
venience if the Clerks had been trans-
ferred from one Division or District
to another whenever there were changes
from permanent to temporary Overseers
as was frequently the case, until the
reduction of the temporary Establishment
at end of last February. The permanent
Clerks in the Western Division Godavari
(employed under temporary Overseers prior to
1st March 1887) have been transferred
to the Central Division to fill permanent
vacancies.

(3) Under the circumstances, I request

that you will be good enough to obtain
the sanction of Government authorizing
the Examiner to pass salaries to the Clerks
named below from the dates specified
opposite to them.
