Establishment.

READ—the following papers:—

From the Superintending Engineer, V Circle, dated 3rd March 1888, No. 5111.

STATEMENT of Proposition for employment of Temporary Establishment during 1888-89.

There has been temporary establishment in this division as shown under the head present scale, but it was abolished on the reduction of establishment in 1887. The Executive Engineer, South Arcot Division, reports that since the abolition of the temporary establishment much difficulty is felt in carrying out the work for want of sufficient hands. It is therefore recommended that the temporary establishment now proposed on a less cost may be sanctioned.

MADRAS,
3rd March 1888.

(Signed) H. M. VIBART, Col., R.E.,
Superintending Engineer, V Circle.
