GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.  
Account.

READ—the following letter from J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 23rd March 1888, No. 2178 K.S.:—

I have the honor to forward herewith applications from the clerks of my office as well as those of the Kistna Eastern division for advances of six months' pay to each of them for building houses on sites already secured by them in Buckinghampetah, Bezvada, *vide* Appendix K, Public Works Code, para. 454, Rule VII; and as they agree to the conditions therein laid down as regards the purpose for which the advance is made, recovery of same, &c., I request that you will be so good, if you think well to do so, to recommend the advances being sanctioned.

2. I have no reason to think that the applications now made are not *bona fide*, but if all or any of the clerks were transferred to another station, it is not clear that their successors will benefit by these houses. They may either not build them at all, or having built them, will dispose of them to the highest bidder, and the new clerks will have the same grounds for demanding advances for a similar purpose.

3. The clerks in their petitions do not show that houses will not be built by private enterprise.

4. I am unable to recommend the advances, but consider it right to lay the matter before you.

Office Note from the Examiner, Public Works Accounts, dated 13th April 1888, No. 1339.

ORDER—dated 2nd May 1888, No. 1282 W., Public Works.

As it is desirable that good houses should be built on the new site near the office and suitable accommodation cannot be otherwise provided, the Government sanction an advance of six months' pay to the clerks in question on the conditions laid down in Appendix K to the Public Works Code.
