ENCLOSURE.

From the Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to the Government of the Punjab, Public Works Department, dated Simla, 19th May 1888, No. 2650.

I am directed to acknowledge the receipt of your letter No. 174, dated the 2nd February last, submitting, for the orders of the Government of India, a copy of a letter from the Examiner of Public Works Accounts, Punjab, in which he asks for a decision on the question whether an officer of the Public Works Department is entitled to travelling allowance when recalled from examination leave granted under para. 24, Chapter II, Volume I, of the Public Works Code. The opinion of the Examiner is that, as full pay is drawn during such leave, there is no reason for allowing any greater privilege in respect of it than in respect of privilege leave.

2. In reply, I am directed to explain that privilege leave is treated as a mere relaxation of duty, and that an officer on such leave is supposed to be still at hand, and available if occasion requires. No objection is raised to his leaving his station; but if he does so, it is at his own risk; and if it proves necessary to recall him, Government holds itself free from liability for any expenditure that may be due to his absence from his station. Other kinds of leave, however, are given with the express intention that the officer should go away from his station. He is expected to do so, and not to be at hand; and when, therefore, he is recalled, the cost of the journey is borne by Government.

3. Leave under Public Works Code, Volume I, Chapter II, para. 24, is given for an express purpose, namely, to enable an officer to pass an examination. He is not supposed to pass the leave in leisure or in recreation, as is manifest upon the stipulation that the moment he passes the examination, he must return to duty. If, therefore, an officer has used the leave for this purpose, i.e., if he has gone either to a place where the examination is to be held, or to a place where he may more conveniently study, the cost of recalling him should be borne by Government. But if, on the other hand, he has used the leave for any other purpose, he has no right to expect Government to bear the charges of his returning from a place to which he should never have gone, and to which it is contrary to the express intention of the leave conditions that he has gone.

By Order,

G. H. Walker

Under-Secy. to the Govt. of India.

No. 2650, dated Simla, the 19th May 1888.

From—The Secretary to the Govt. of India, Department of Finance and Commerce,
To—The Secretary to the Government of the Punjab, Public Works Department.

I AM directed to acknowledge the receipt of your letter No. 174, dated the 2nd February last, submitting, for the orders of the Government of India, a copy of a letter from the Examiner of Public Works Accounts, Punjab, in which he asks for a decision on the question whether an officer of the Public Works Department is entitled to travelling allowance when recalled from examination leave granted under paragraph 24, Chapter II, Vol. I, of the Public Works Code. The opinion of the Examiner is that, as full pay is drawn during such leave, there is no reason for allowing any greater privilege in respect of it than in respect of privilege leave.

2. In reply, I am directed to explain that privilege leave is treated as a mere relaxation of duty, and that an officer on such leave is supposed to be still at hand, and available if occasion requires. No objection is raised to his leaving his station; but if he does so, it is at his own risk; and if it proves necessary to recall him, Government holds itself free from liability for any expenditure that may be due to his absence from his station. Other kinds of leave, however, are given with the express intention that the officer should go away from his station. He is expected to do so, and not to be at hand; and when, therefore, he is recalled, the cost of the journey is borne by Government.

To The Secretary to the Government of Madras,
Public Works Department.

5. Leave under Public Works Code, Vol. I, Chapter II, paragraph 24, is given for an express purpose, namely, to enable an officer to pass an examination. He is not supposed to pass the leave in leisure or in recreation, as is manifest upon the stipulation that the moment he passes the examination, he must return to duty. If, therefore, an officer has used the leave for this purpose, i. e., if he has gone either to a place where the examination is to be held, or to a place where he may more conveniently study, the cost of recalling him should be borne by Government. But if, on the other hand, he has used the leave for any other purpose, he has no right to expect Government to bear the charges of his returning from a place to which he should never have gone, and to which it is contrary to the express intention of the leave conditions that he has gone.
