To, C. H. B. Barlow Esq^{re}
Executive Engineer
Chingaleput Division

Honored Sir,

In obedience to your honor's No. 3812 dated
6th Instant, I most respectfully beg to sub-
mit the following to your honor's benign
consideration:

I was first appointed by Col^l Smalley Esq^{re}
the then Executive Engineer on the 1st of Novem-
ber 1883 as a temporary Clerk on Rs 15 in
the Chingaleput Divisional office and I
continued holding the appointment till
the end of February 1887 when owing to a
reduction in the temporary establishment,
my services were dispensed with. After
this I was told to work in the office
again Langley R.E. who arranged to
charge the same to works and
accordingly received my pay for March,
April & May 1887. Col^l Smalley R.E. who
had then temporary charge of this Division,
did not like the system of charging my
pay to works, and addressed the Super-
intending Engineer 5th Circle for the
re-employment of the two temporary
clerks who were thrown out in the last
reduction and so myself & the other clerk
were working in the office all along with
the hope of our being re-employed from
1st June 1887. But unfortunately the sanction
was not given in G.O. No. 2299W dated 26th Aug.

II I humbly beg to state that I not only
fair copy letters but also post all the
despatch books of letters of this office,
and mark out the disposals in the
Receipt Registers of letters and keep them
in order. I have a thorough knowledge
of the current & old records of the
Chingleput Divisional Office and
sometimes I pick up very old
references and I further beg to say
that I am so well experienced in
the office work that I can manage
the duties of a Sub Divisional Office
clerk for which the Manager and the
Head Clerk of this office would certify.

III I was also appointed as acting
Despatching clerk of the Chingleput
Divisional Office from the 7th July/84
to 20th February 1885 on a deputation
allowance of Rs. 4 per mensem in
addition to my pay viz Rs. 15, during
which time I discharged my duties
to the entire satisfaction of my
superiors without any complaint what-
ever. I have been working fully de-
pending upon this appointment losing
many chances and trusting that I would
be provided with a permanent foot-
ing on Rs. 15. I am a very poor man
with a large family containing ten
souls. I have not been paid from
1st August and I am quite

humbly beg to request that you would
will be so graciously pleased as to
take my above statements into your
honor's favorable consideration and
to strongly recommend me to the
Superintending Engineer for the
sanction of my re-employment
on Rs. 15 per mensem as required
by the Examiner of Accounts.

For which act of kindness and
charity I shall as in duty bound ever
pray for your honor's long life and
prosperity.

I beg to remain

Under this explanation the Clerk, I think might be exempted from the Examination Rules for the present appointment only. If this will not be allowed his services must be dispensed with, I would request that sanction be given to his pay being passed by the Examiners from 26th August 1887 to the date of his services being dispensed with. The Executive Engineer's for pay for the Clerk from 1st August not be admitted, as the G.O. sanction-entertainment of temporary clerks, is dated 26th August 1887, was received in this Office on the 8th September and communicated to the Executive Engineer on the 9th September.

26TH AUGUST 1887, No. 2299 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General
Establishment.

READ—the following papers:—

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the
Chief Engineer, Public Works Department, dated Bangalore, 26th July
1887, No. 1804.

With reference to G.O., No. 1963 W., dated 22nd July 1887, I have the honor
to forward a proposition statement for two temporary copyists on Rs. 15 each, required
for the Chingleput divisional office.

2. I take the opportunity of bringing to your notice that there is much copying
work in connection with the large amount of correspondence with the
Public Works Department, the Chief Engineer for Irrigation, the
Accounts, four Executive Engineers, the General Super-
intending Engineer's office, the Local Fund Boards, the Military
and Civil departments and the numerous returns, lists of disallowances, &c.

3. In order to lessen, as much as possible, copying work, it has been the practice
hitherto to send original papers to the Executive Engineers with necessary instructions
for attention and return. Whilst such papers were yet in the Executive Engineers'
hands, great inconvenience has been felt for want of them for reference in the
Superintending Engineer's office. While on the other hand, after the papers had been
returned to the Superintending Engineer's office, the Executive Engineers' offices
must be left without a record of them.

4. To remove the above inconvenience, and as it is necessary there should be a
complete record of every correspondence in the Executive Engineers' offices, the
practice of sending original papers, to be returned, has been discontinued, but the
copying work has been thereby necessarily increased. I should mention, quite apart
from this, that the correspondence is very heavy in this circle, connected as it is with
the Presidency Town and several military stations, and the services of two extra
copyists are very much required.

5. I have the honor to request, therefore, that sanction may be given to the
entertainment of two extra copyists under Temporary Establishment for my office, one
on Rs. 15 (V class, 1st grade) and the other on Rs. 10 (V class, 2nd grade). A
proposition statement for this is also enclosed.

STATEMENT of proposition for revision of establishment.

26th July 1887.

(Signed) H. M. VIBART,
Superintending Engineer, V Circle.

ORDER—dated 26th August 1887, No. 2299 W., Public Works.

The establishment required in the offices of the Chingleput division and the Superintending Engineer, V Circle, is sanctioned as detailed in the statements received with the Superintending Engineer's letter above recorded.

2. This sanction has been registered as Provincial, No. 27 W. of 1887-88, and classified as Establishment, Temporary.
