LEAVE AND LEAVE ALLOWANCES.

To

THE SECRETARY TO THE GOVERNMENT OF THE
NORTH-WESTERN PROVINCES AND OUDH.

Simla, the 31st May 1888.

SIR,

I AM directed to address you with reference to the leave granted to Colonel Phillips, Cantonment Magistrate of Rurki, by the Government of the North-Western Provinces and Oudh in the Notifications of that Government cited on the margin.

No. ²⁹¹⁷_{II-217-79}, dated 6th July 1887.
" ³²¹⁷_{II-271}, dated 27th July 1887.
" ⁸⁵_{II-217-113}, dated 11th November 1887.

2. It is observed from those Notifications and from correspondence with the Accountant General, North-Western Provinces and Oudh, that Colonel Phillips originally applied for and was granted furlough in India on medical certificate under Rule XIV of the Furlough Rules of 1868, and that subsequently he applied for permission to resign his appointment in the Civil Department, and on his resignation being refused, he applied for and was granted general leave on medical certificate under Rule XXV, Chapter II, of the Regulations of 1868, which was subsequently extended and commuted to leave under Rule XXVI.

3. The Government of the North-Western Provinces and Oudh seems to have been under the impression that as Colonel Phillips' resignation of his civil appointment had been refused, it could not refuse his application for leave under the rules in Chapter II, and accordingly sanctioned it. I am, however, to explain that it is absolutely in the discretion of a Local Government to grant or refuse leave under the rules in Chapter II of the Regulations of 1868, even when the resignation of his appointment in the Civil Department by a military officer cannot be accepted. If the Local Government does not wish to grant leave to such an officer under the rules in Chapter II, it may grant him any other kind of leave for which he may be eligible. When an officer has furlough at his credit, leave under Chapter II should not, as a rule, be granted even when the officer applies for leave on medical certificate.

I have the honour to be,

SIR,

Your most obedient Servant,

L. P. SHIRRES,

Offg. Under-Secy. to the Government of India.

This paper has been
referred to the P.W. Dept.
by the L. & M. Dept.

The Municipality
of Palni asks Govt.
to depute a competent
officer to draw up a
scheme of drainage for
the town. They say
the cost of the scheme
would not exceed
Rs 300 - for con-
sidering a matter.
The services of an
overseer should
suffice, & S.E. ~~VI~~
might perhaps
be asked one to depute
one for a few days
to do what is necessary

For orders.

Refer to S.E. it is
probable that there is
a mistake in the 24.6.88
sum named. (WV)
