GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 6th February 1888, No. 4700.

With reference to your memorandum No. 4694 C., dated 16th December 1887, I have the honor to state that the house occupied by Sergeant-Major Powell was not engaged for him by this department.

2. It appears from the Station Staff Officer's letter to the Executive Engineer on the subject that His Excellency the Commander-in-Chief gave sanction, as communicated in Quartermaster-General's letter No. 2459, dated 1st April 1881, to a house at a monthly rental of Rs. 20 being provided for Warrant Officer and Cantonment Sergeant-Major Powell. The Sergeant-Major proceeded to Madras on duty temporarily in October 1886, when his quarters were given to Schoolmaster Simms. On Sergeant-Major Powell's return to the Mount, the Station Staff Officer had, therefore, to engage for him the only available and suitable house, which he now occupies, the rent of which does not exceed the amount which, as stated by the Station Staff Officer, has been sanctioned by His Excellency the Commander-in-Chief for quarters for the Sergeant-Major. The Station Staff Officer also mentioned that the house provided by the Executive Engineer for Sergeant-Major Powell is not suitable for him and does not contain the accommodation to which a warrant officer is entitled, and that the Officer Commanding the Station therefore objected to the charge of quarters as proposed by the Executive Engineer.

3. The Executive Engineer pointed out to the Station Staff Officer that the duty of providing quarters rested with the Public Works Department, and was informed, in reply, that the matter has been submitted for the orders of His Excellency the Commander-in-Chief.

From Colonel M. PROTHEROE, C.B., C.S.I., Officiating Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 3rd July 1888, No. 2391 A.

In returning the papers referred to the Commander-in-Chief under M.D. No. 1659 of the 8th March 1888, I am desired to say that the house in question was hired by the military authorities at St. Thomas' Mount, who must be held responsible for the amount of extra expense incurred by Sergeant-Major Powell remaining in it instead of moving into the house which the Executive Engineer wished to hire for his occupation.

From para 3 of the above
G. O. it would appear that the
Executive Engineer did not hire
the quarters now occupied by
Sergeant Major Powell: otherwise
it is not clear why he should
address the Station Staff Officer
on the subject of his removal.

2. As the Executive Engineer
apparently knows of cheaper quarters
in which he can accommodate Sergeant
Major Powell, it would be perhaps
well to enquire the circumstances
under which he addressed the Staff
Officer regarding removal of the
Sergeant, to them, and also to find
out by whom the quarters at present

It is difficult to understand
from these papers exactly
how the case stands but
a sanction was once given
for 6 months (at least cover
the whole period) & the
matter was under reference
to the C. in C. & the
Supt Major is now to move
into public quarters, & so
let the sanction stand & not
be altered retroactively.
