READ—the following letter from Colonel M. PROTHEROE, C.B., C.S.I., Officiating Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 22nd June 1888, No. 2305 A. :—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, &c., below mentioned, which have been approved by the Commander-in-Chief. The estimate has been countersigned—

Revised estimate, amounting to Rs. 680, for providing cooking stoves to the Staff Sergeant's quarters at Wellington with a comparative statement.

2. The cause of excess of the revised over the original estimate for Rs. 536 sanctioned in O.G., No. 1476 W., dated 11th June 1886 (M.D. No. 3805 of 25th idem), is reported as due to the difference in exchange since the latter was sanctioned.

3. Funds for this work were provided in O.G., No. 5716 of 16th September 1887, and withdrawn in O.G., No. 2230 of 4th April 1888, as it was found there was not sufficient time within the last official year to obtain the stoves, which would have had to have been procured from England; His Excellency the Commander-in-Chief hopes they will be obtained in good time in the current year.

No. 4391, Military.

Approved and transferred to the Public Works Department for disposal.

(By Order.)

OOTACAMUND,

2. As the available balance of the minor works grant for military works has been placed at the disposal of the officers commanding divisions and districts, the question of providing funds for the work will be considered by the Officer Commanding Southern District.

3. This sanction has been registered as Imperial Ordinary, No. 22 W. of 1888-89, and classified as Military Original Works.
