OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

Trichinopoly 4th April 1888.
sep 6th

No. 1070

From S. W. Randall Esq. M. D. C. E.
The Superintending Engineer,
6th Circle.

To
The Chief Engineer
P. W. D.

Sir,

ENCLOSURES.

The Collector of Trichinopoly, in a letter dated 29th March 1888 No. ¹⁴/₁₂ has requested me to furnish him with a Statement shewing the cost of the whole P. W. D. Establishment in the District for the official year 1887-88, and it is said that the information is required to be embodied in the District Administration Report for that year.

2. The Collector of Tanjore in a letter dated 26th January 1888 No. 523A has called for a Statement shewing the works newly constructed in the District during the quinquennial period ending with Fasli 1296. This Statement is said to be required for submission to

to

to the Board of Revenue under their
Proceedings No. ¹⁶²⁴/_{10.6.79} and to show the
nature, number and estimated cost of
works constructed, all under Irrigation
and Agricultural. —

3. These Statements appear to
have been called for and furnished
in previous years. I have, however, the
honor to request that you will be good
enough to let me know whether it is
necessary for this Department to fur-
-nish either or both of these Statements.
The present requisitions of the Collectors
have been attended to, but I make
this reference to get definite orders
for my future guidance. Apparently,
it is only the Collector of Trichinopoly
who requires the information about esta-
-blishment. —

I have the honor to be
