G.O., dated 8th February 1888, No. 456 W., Public Works.

Read—the following paper:—

No. 12 E.W.

Note by the Chief Engineer for Irrigation.

The Superintending Engineer, Periyár works, in his programme of work proposed to be done on the project during his absence in England, forwarded with letter No. 498 P.R., dated the 7th instant, states that the existing establishment for the Periyár division will, up to the end of May next, be sufficient, except that one or two subordinates may be required whose entertainment may be sanctioned on receipt of an application for their services when found necessary.

2. The Superintending Engineer proposes the formation of a second division for work in the plains; this to have effect from the date on which the establishment of the first division returns to the Periyár valley to resume the work there. This proposal is approved. Two more Overseers, at Rs. 100 each, for the first division and the following establishment for the second division will be required from 1st June next:—

1 Executive Engineer, 4th Grade.
1 Assistant Engineer, 2nd „
1 Supervisor.
2 Overseers.

A 1st-class division office establishment may be allowed to each of the first and second divisions, the salaries of the appointments being fixed at the average rates for the various grades, as no increments are admissible to members of the temporary establishment.

3. The following office establishment for the Superintending Engineer from 1st July next, the probable date of his return from England, may also be sanctioned:—

	RS.
1 Head Clerk	100
1 Clerk	60
1 Do.	40
1 Draughtsman	60
2 Messengers, Rs. 10 each	20
4 Lascars, Rs. 9 each	36
Total	316

4. A proposition statement showing the present and proposed establishments is enclosed. Later on, when the works get into full swing, the necessity for a further increase to the establishment may be considered. It is suggested that at least half the number of upper subordinates may be men of the permanent establishment with some experience.

(Signed) C. J. SMITH, Colonel, R.E.,
for Chief Engineer for Irrigation.

From the Examiner of Public Works Accounts, dated 7th June 1888, No. 1616.

ORDER—dated 16th June 1888, No. 1791 W., Public Works.

The statement, printed above, of temporary office and menial establishment required for the Periyár project works during 1888-89 is sanctioned with effect from date of entertainment.

2. The formation of No. II Periyár division for work in the plains is also sanctioned. The existing division will hereafter be known as No. I Periyár division.

Mr. C. A. B. Target, Executive Engineer, 1st grade, has been posted to the charge of the second division, and the additional executive staff will be ordered to the works as early as practicable.

3. The salary of an Apothecary on Rs. 50 per mensem, now attached to No. I division, has been omitted from the statement. The Superintendent of Works will submit a supplemental statement showing the subordinate medical establishment required for the works.

4. The Examiner, Public Works Accounts, will submit proposals for the accounts establishment needed for the new division.

5. The sanction accorded in para. 1 of the Proceedings has been registered as Provincial No. 23 W. of 1888-89, and classified as establishment temporary.
