BOARD'S GEN. REG. N^o 1188 OF 1886

FROM, W. Logan Esquire
Collector OF MALABAR.

To, B. J. Mac Carthy Esquire
Ag Secretary to the Board
of Revenue. Madras.

SIR,

In their order dated 26th March 1868,
n^o 780 Revenue, Government sanctioned
the erection of a small house for the
Sub magistrate at Vayitri who was
expected to pay a "moderate rent"
for his occupancy of the building
when completed.

2. The house was built in 1871
at a cost of Rs 5,152; but it has not
been continuously occupied by the Sub
magistrates of the place as some of
them would not do so on the
ground of its having been previously
used by an officer of a different
caste.

3. In September last the Exe-
cutive Engineer, Nilgiri Division, raised
the question of house-rent and the
enquiries since made tend to show
that

that when it was brought up on a previous occasion the usual percentage on the cost of the building was considered excessive and the rental was fixed at Rs 5 a month. The records bearing on this have however not yet been traced.

4. The Executive Engineer West Coast Division (to whom the papers have since been transferred) informs me that the rent to be levied from the Sub Malistrate will in future be Rs 32 and that, if it is considered too high, the orders of Government should be obtained reducing the same -

5. The Deputy Collector (by name) is of opinion that "the rental of Rs 5 a month is as much as a Sub malistrate could afford". In this opinion I concur. The Inspector of Police at Vayitri does not pay a rental of more than Rs 3 a month for a house quite as good as that of the Sub malistrate.

6. Considering that Government

in their order quoted above intended to levy only a "moderate rent", I beg to submit that a rental of Rs 5 a month is ample. I have the honor therefore to request that the Board will be pleased to obtain the sanction of Government to levy only Rs 5 instead of Rs 32 as now fixed by the P. W. Department.

I have the honor to be,

Sir,
With advertence to para 2 of your letter no 289 B dated 15th July 1886, intimating the willingness of the Govt of India to consider individual cases of hardship under the operation of the rules regulating the levy of rent on Government buildings occupied as residences I am directed to submit the case of the Sub magistrate of Vayitri in

in the Wynad district. The building occupied by this official was built in 1871 at a cost of 5152, and up to last year the rent paid for it was Rs 5 per mensem. No papers can however be traced showing when or under what authority the rent was fixed at that figure, and in the absence of special orders of Govt on the subject the Executive Engineer, in Sept'r last, raised the rent to Rs 32 per mensem, equal to $7\frac{1}{2}$ per cent per annum on the Capital Cost. As however this sum is considered out of all proportion to the Sub-magistrate's pay, which is Rs 100 per mensem, I am directed to request that the Govt of India may be moved to sanction the rent being fixed at 10 per cent of the officer's salary.

 not be more than Rs 7 1/2

Mr. Price points out
 that the Inspector draws
 Rs 112 1/2 per mensem alto-

 Wynaad allowance -
 10 per cent on the full
 salary of Rs 112 1/2 would
 be 11 1/4, & it is a question
 whether he should be

 latter sum as rent.
