ENCLOSURES.

I have the honor to bring to your notice that Mr. Sopalabristua Iyer having been reported by the Superintending Engineer, III. Circle, too ill to come down to Dinnevelly, and give assistance regarding the defence of the suit brought for recovery of certain land now forming part of the Tambra: purni Left Bank below the Sivakantham Ancient, was subsequently granted 3 months leave.

2. On the 24th April Mr. Sopalabristua Iyer visited Col. Mead and myself at the Grand Ancient, as he was spending his 3 months time in the Tanjore District.

3. I told him that it was very essential that he should go down to Palam:
Collah

Salamcottah, see the Executive Engineer and the Collector, and give them such information as he had acquired while laying out the River Embankment in 1881.

4. Mr. Lopalakrishna Iyer stated that he was not well enough then but would go down to Tinnevely shortly. After my writing to him again, he proceeded to Tinnevely, leaving Trichinopoly on the night of the 13th and re-
turned to Trichinopoly on the night of the 27th ultimo. I write therefore to request that Mr. Lopalakrishna Iyer may be considered on duty from the 14th May to 27th May in-
clusive, that period being added to his Privilege leave, also that the expenses of his journey from Trichinopoly to Salamcottah and back may be included in the Tinne-
vely Division Travelling Allowance Bill. His journal will be forwarded in the usual way, but the Examiner will require special orders to pass it.

5. The Executive Engineer Tinnevely reports that Mr. Lopalakrishna Iyer was able to give very valuable information and that his evidence will certainly be required at the hearing of the suit which is posted for the 17th July for the settlement of issues. The
exact

exact date on which Mr. Lopalakrishna Iyer will be required will be notified here-
after.

6. The Executive Engineer and the Collector are busy in getting up all the facts in the case, and I hope to be able to forward you the draft defence at an early date.

I have the honor to be
Sir
Your Most Obedt. Servant.

Under Civil Leave Code,
section 5(d), the Asstt. Engineer if

to Palamcottah. Under the circum-
stances, I think, it is open to
Government to consider him recall-
ed to duty and posted temporarily
