GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Military Buildings—Commissariat.

Read the following paper :—

No. . From Colonel J. C. GUNNING, Commissary-General, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Madras, 3rd July 1888, No. 882-TB.

In reference to para. 2 of Proceedings of Government No. 1658, dated 15th March 1883, I have the honor to report that, owing to the contemplated reduction of establishments at Hunsúr, it is unnecessary to incur the expense of converting the old blanket factory into an office, as the Executive Engineer, Presidency, reports that the present depôt office, having been lately repaired, is now in fair order and not likely to require any further repairs for some time to come.

2. The Mysore Government wish to purchase the blanket factory building for use as a sandalwood store and the Officer (Colonel Hay) in charge of the depôt recommends its sale, as it is not wanted for any purpose connected with the public cattle depôt. I beg therefore to advise that it be sold accordingly, in order to save the cost of keeping it up. The Executive Engineer might be asked to value it.

No. . ORDER THEREON, 14 July 1888, No. 4813

The sale of the blanket factory building at Hunsúr, reported to be no longer necessary, is sanctioned.

2. The Public Works Department will be requested to instruct the Executive Engineer, Presidency Division, to value the building in question.
