Resolution of the Government of India in the Financial Department, No. 6003, dated the 6th November 1887, under which the sanction of the Local Government is required to enable an officer to draw pay and allowances for the period spent by him beyond the limits of the Province to which he belongs, when such pay and allowances are chargeable to Provincial Revenues.

Read—

Letter from the Chief Commissioner, Central Provinces, No. 2269—107, dated the 24th April 1888, representing the inconvenience caused by the application of this Resolution to subordinate officers of the Police, the nature of whose duties necessitates frequent journeys beyond the limits not only of their respective districts, but of the Province as well; and suggesting that the Inspector General of Police may be empowered to authorize the deputation on duty, beyond the limits of his own jurisdiction, of Police Officers below the rank of Assistant Superintendent of Police.

RESOLUTION.—The Governor General in Council is pleased to decide that the order contained in the Resolution of the 6th November 1887 does not apply to Police Officers acting within their legal powers. The Comptroller, Central Provinces, will accordingly be instructed to admit the charges at present held under objection in his books.
