Compd

No. 2417C of 26th June 1888

Returned to the Suply. Engrs
II circle for explanation as to
the high rate given in the
Estimate for the manufacture
of lime at Vaddhesvaram.

The rate given in the
Schedule for the Krishna
Western Division is Rs 4-8-
per 100 c. ft. that given
in the Estimate is
Rs 4-8- per Candy which
is about .54 less than
the unit given in the
Schedule; so that the
rate in the Estimate
is apparently more
than double that given
in the Schedule for 100 c. ft.

It is particularly
requested orders may
be issued that when
framing Estimates
the units given in the
Schedules be invariably
adopted in the Estimates
submitted for sanction.

(By order)

W. B. Boulden

Vadhesvaram - Manufacture
of Lime at - Forwards for
Govt's sanction an Estimate
of Rs 5,000 for — during
1888-89.

No. 912.

Krishna Western Division Office

Station. Duggirah.

Dated. 5th July 1888.

From,

A. B. Todd Esqrs,

Executive Engineer

Western Division Krishna

To

The Superintendent Engineer

II Circle.

Sir,

In returning herewith your endorsement
No. 913 Ks of 3. 7. 88 with its enclosures, I have the
honor to inform you that the rate entered in the
Schedule of this Division is Rs 4-8-0 per Candy
and not per 100 cft. If by an oversight the rate
was given per 100 cft. in the Schedule submitted,
will you be so good as to alter it into per Candy.
The cost of lime manufactured last year
was Rs 4-8-0 per Candy.

I have &c

Wd/ A. B. Todd
