There appears therefore to be no reason why under the

Order—dated 11th February 1888, No. 486 W., Public Works.

With his letter above recorded, the Superintending Engineer, V Circle, submits the annual home indent for articles of European manufacture required by the Public Works Department during 1888-89, together with the budget estimate for tools and plant for the same year.

2. A sum of Rs. 40,000 has been provided for London supplies in the preliminary issue of the Provincial budget for 1888-89, and the question of providing funds required for expenditure in India on account of tools and plant will be considered in the orders on the statement of incomplete and minor works, repairs, and tools and plant.

3. The attention of the Superintending Engineer, V Circle, is drawn to paragraph 5 of the revised rules printed with G.O., No. 202 W., dated 25th January 1886, under which indents should be numbered progressively. The present indent is the third sent forward to the India Office since the beginning of the current calendar year, and will therefore bear No. 3 of 1888.

4. Ordered that the indent be forwarded to the Director-General of Stores, India Office, and a copy to the Government of India for information.
