1	Ready-money payment of 50 pagodas per mensem in Arcot, Arcot Taluk, North Arcot district.	The jaghir of Chellumattur, Nellore district, was given to Saiyid Jellaluddin, a Courteer, by the Nabob Walajah about 1799. Government resumed the jaghir in 1802 and granted Saiyid Jellaluddin instead a jaghir pension of 50 pagodas a month. *Documents.* 1. Government letter to Collector, No. 61, dated 10th July 1802, with a list of jaghirs and jaghirdars to be pensioned on resumption. 2. Board's letter to Collector, No. 157, dated 11th August 1828, and Government letter, No. 554, dated 5th August 1828.	No duty or service involved. The pension was granted in return for jaghir resumed.	Dulham Begam Sahiba, the last holder, died on the 24th December 1886. She was the widow of Saiyid Jellaluddin, the original grantee.	The deceased was in the enjoyment of a pension of 37 pagodas and 15 fanams or Rs. 130-10-8 per mensem, *i.e.*, three-fourths of the original pension, being the whole of the pension continued on the original grantee's death in 1828. No one else had any share.	Descendants left by the deceased through her elder daughter Muhammadi Begam Sahiba, also deceased:— 1. Saiyid Kaja Kutbuddin Sahib, grandson *i.e.*, son of Muhammadi Begum above noted, aged 58 years. 2. Saiyid Kaja Aziz Sahib, brother of No. 1, aged 57 years. 3. Pari Begam, sister of Nos. 1 and 2, aged 60 years. 4. Jani Mia Sahib, son of No. 3, aged 34 years. 5. Shajati Begam, wife of No. 4, aged 30 years. 6. Kharannissa Begam, daughter of Nos. 10 and 11, aged 15 years.	G.O., No. 554, dated 5th August 1828, continuing the pension to the deceased, ordered that it was to cease entirely on her death or be continued at a reduced rate at the pleasure of the Government. The Collector recommends that a pension of Rs. 100 a month, or a little over three-fourths of the allowance drawn by the deceased, be continued to Pir Hazarath *alias* Saiyid Sha Muhammad Kaliyulla Sahib Khadiri (No. 20 noted in column 7) whom the deceased had nominated to succeed to her estates and property as well as her liabilities, and who is related to the deceased both on the father's and mother's side. 2. Saiyid Khaja Kutbuddin (No. 1 in column 7) prays that the allowance may be continued in his name, as he is the son of the eldest daughter of the deceased, but the Sub-Collector recommends the grant in the name of Pir Hazarath for the reason that the deceased (who succeeded to the allowance through her husband and not through her mother) had nominated

2. It will be seen from the statement that Pir Hazarath, No. 20, in the genealogical tree, the first claimant to the pension of the deceased, is not in well-to-do circumstances. 3. Of the pension of Rs. 130-10-8 drawn by the deceased Dulham Begam Sahiba, only Rs. 60-10-8 was, it is said, enjoyed by her, the remaining Rs. 70 having been distributed among the several members of the family as shown below :—

7. The Government petitioners—the father and senior paternal uncle of Pir Hazarath (the man recommended by the late Acting Collector Mr. MacCartie in his tabular statement No. 84, dated 19th July 1887), are all grandsons and granddaughters by daughters of the deceased pensioner.

8. At the instance of the Sub-Collector, Mr. MacCartie recommended Pir Hazarath for the reasons that the deceased pensioner who succeeded to the allowance through her husband and not through her mother had nominated him as he was related to her in three ways:—

(*a*) As grandson of her first cousin (paternal uncle's son).
(*b*) As grandson of her second daughter.
(*c*) As son of her sister's grand daughter.

9. The Tahsildar of Arcot reported that he has not been able to record a statement from Government petitioners, as No. 3, Pari Begam, and No. 13, Banu Begam, respectively, reside at Madras and Tirupatur in Salem district, while No. 1, Kaja Kutbuddin is at Hyderabad. CURRENT NO. 1199

To

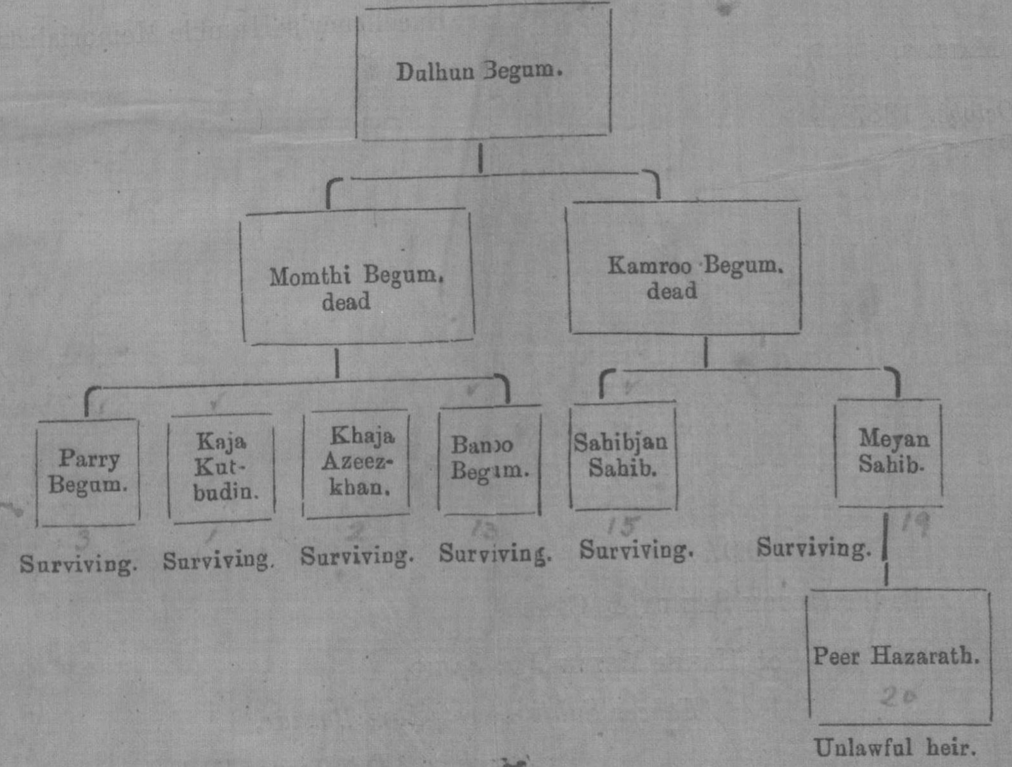
HIS EXCELLENCY THE RIGHT HONOURABLE
THE GOVERNOR IN COUNCIL,
Fort Saint George,
MADRAS.

The humble Memorial of 1. Parry Begum ; 2. Kaja Kutbudin ; 3. Kaja Azeezkhan ; 4. Banoo Begum ; *granddaughters and grandsons of the late* Dulhun Begum Sahiba ; *Jagir pension-holder No.* 667, *in North Arcot District.*

Most Respectfully Sheweth,

1. That your Excellency's Memorialists are the children of Momthi Begum, the eldest daughter of the late Dulhun Begum, who was drawing a pension of Rupees 130-10-8 per mensem from the Taluq Cutchery at Arcot.

2. That the said Dulhun Begum died in 1886 and left other issues also than the Memorialists, *viz.*, Sahibjan Sahib and Meyan Sahib, by her younger daughter, Kamroo Begum. The following pedigree will explain the relationship.



3. That both the said daughters of Dulhun Begum predeceased their mother; and her remaining surviving heirs are the four Memorialists by her 1st daughter and the other said two sons by her second. Hence, the surviving 6 members, or in other words the 6 grandchildren of Dulhun Begum are the only claimants for her pension according to Mahomedan Law.

4. That under such circumstances, the Memorialists have been informed that one Peer Hazarath, son of Meyan Sahib, has, on the demise of Dulhun Begum, misrepresented certain facts to the Sub-Collector of North Arcot, and that the Sub-Collector has thereupon recommended to the Government through the Collector for a continuation of the pension of Rupees 100 in the name of Peer Hazarath, entirely ignoring the right of the Memorialists. Here it may be added that no notice of it was served on any one of the Memorialists.

5. That under Mahomedan Law Peer Hazarath is in no way entitled to claim the pension of his great-grandmother while his father is alive, on the principle that "the nearer excludes the more remote."

6. That your Excellency's Memorialists therefore humbly beg that the said continuation of Rupees 100-0-0 be continued in the name of Parry Begum, being the eldest member of the surviving heirs. If this indulgence cannot be granted, the Memorialists humbly beg that the pension be distributed individually amongst the surviving members of the family, and thereby support the Memorialists and their poor families.

For which acts of kindness and mercy, the Memorialists shall ever pray for Your Excellency's long life and prosperity.

The Memorialists beg to submit that this Memorial may be substituted for the one presented by them on the 3rd Instant. They had also submitted a petition on the 10th August last.

Beg to remain,
Your Excellency's Humble Memorialists,

The Humble Petition of 1 Parry Begum, 2 Banoo Begum, 3 Khaja Kutbudin, and 4 Khaja Azizkhan, grand daughters and grand sons of the late Dhoolhun Begum Sahiba Jagir pension holder No. 667, in North Arcot District.

Most Humbly Sheweth,

That Your Excellency's Memorialists are the children of the eldest daughter of the late Doolhun Begum Sahiba, who was drawing a pension of Rs. 130-10-8 per mensem from the Taluq Cutchery at Arcot.

That the said Doolhun Begum Sahiba died in 1886, she left other issues than the Memorialists, viz: Saibjan Sahib and Meyan Sahib, sons of her younger daughter who predeceased her mother.

That on the demise of Doolhun Begum Sahiba, the Memorialists have been informed that out of the lapsed pension, the Sub-Collector of North Arcot has recommended, through the Collector, a continuation of a portion of the pension Rs. 100-0-0 in the name of one Peer Huzaruth, a son of the Memorialists' cousin, Meyan Sahib, who cannot be an immediate heir to the late Doolhun Begum Sahiba and a claimant for the pension according to Mahomedan Law, since his father is surviving; consequently, the Memorialists humbly beg that the said continuation of Rs. 100-0-0 be continued in the name of Parry Begum Sahiba, the eldest member among the surviving heirs of the family. If this indulgence cannot be granted, the Memorialists beg that the pension of Rs. 100-0-0 be distributed individually amongst the members of the family, and thereby support the humble Memorialists and relieve them from future dissatisfaction and quarrels.

For which acts of kindness and mercy, petitioners shall ever pray for Your Excellency's long life and prosperity.

Beg to remain,
Your Excellency's Humble Memorialists,

Remark.

Of the Rs 130-10-8 given to Dulakanu Begum Saheba Rs 70-0-0 were given to others for their support as noted in Column 6. The remainder Rs 60-10-8 went towards the maintenance of Dulkanu Begum and the family kept by her, the costs of her establishment and Fatiya and other expenses. She ~~had~~ kept whole alive an establishment which cost Rs 20 consisting of a cook, a servant, a sweeper, a Darogah for keeping accounts & attending office for receiving pension, a physician and two water carriers. After her death the establishment has been reduced to a Darogah a cook, a water carrier, a physician & a sweeper in all costing Rs 13. Of the amount of the pension viz Rs 100, recommended by the Sub Collector and Collector to be continued in my name, I have to pay away rateably towards the support of the other members Rs 53-9-2. This leaves me Rs 46-6-10. It is out of this that I have to support the necessary establishment stated above, to supply food and clothing, ~~expenses~~, to get myself married to give my two sisters in marriage and to liquidate the debt already mentioned. And besides have to offer Fatiya to Dulahanu Begum Sahiba and other ancestors. As I have succeeded to the assets & liabilities of Dulahanu Begum Saheba I humbly request that the pension might be recommended for continuance in my name.

In the Statement filed by me before I had entered all 28 persons. As two members who were receiving pension had been left out by mistake I have now added them as 29 & 30.

I have succeeded to the property of Dulahanu Begum Saheba deceased. I, my brother and my two sisters were bred up by her. She has while alive i.e. in the month of July 1886 deposed before the late Arcot Tahsildar Krishnasami Iyer that I was to ~~[illegible]~~ succeed to her property and that her pension ought to be continued in my name. ~~Then~~ accordingly on her death I succeeded to her property. I am in possession of her house orchard, plates and other furniture. I have performed the Fatiya and other ceremonies for her. My grand

-mother had also put in a petition when to the Government that the pension ought to be continued in my name, that ~~none~~ no one else had a claim to it and that it should not be split up and go continued in the name of any other than me. I am related to her in three ways.

The present petitioners to Government Parry Begum 1, Syed Khaja Kutbuddin 2, Khaja Aziz Khan 3 and Banu Begum 4 are the daughters and sons of the eldest daughter of Dulaham Begum Sahiba. Their claim rests solely on this. Dulaham Begum Sahiba had no male descendants. Her two daughters predeceased her. I am related to her in three ways: ~~[illegible]~~ as per Mahomedan law, as being descendant from her elder paternal uncle, as my mother is the granddaughter of the elder sister of the deceased and as her 2nd daughter Kamum Begum Sahiba is my paternal Grandmother. Besides I have a preferential claim as I have succeeded to all the assets and liabilities of the deceased. Her assets at her death were worth Rs 750: and her house and garden were encumbered to an amount of Rs 400. This is all I succeeded to. It is chiefly under the impression that the pension will be continued in my name that I performed the Fatiya and other funeral obsequies for her and ran into a debt of Rs 1500 as above stated for meeting the incidental expenses and for supporting her large family and dependants. I therefore beg that the pension might be recommended for continuance in my name after considering the circumstances of the case. I affirm that all I have stated here is truth and nothing but truth.

The Secretary to Government
Revenue Department

Sir,

With reference to G.O. Revenue Department No 5604, dated 19th September last, I have the honor to forward herewith a Geneological tree not verified by the Govt Petitioners and a Statement filed by Per Hazaratho before the Tahsildar of Arcot showing the circumstances of and the means of subsistence possessed by the members of the family of the deceased Jaghire Pensioner Dulham Begam Sahiba.

2 It will be seen from the Statement that Per Hazaratho, No 20, in the Geneological tree, the first claimant to the pension of the deceased, is not in well to do circumstances. He has inherited from the deceased, property

property to the value of about Rs 750; but this even is encumbered with a debt of Rs 400. The circumstances of the other dependants are no better. None of them except those named below have any means of livelihood:—

No 3 Parri Begam Sahiba is in receipt of a monthly pension of Rs 10 in the Carnatic Agents office.

No 1 Saiyid Raza Kudbuddin Sahib draws a pension of Rs 28 a month in the Nizam's State.

No 4 Saiyid Abdul Wahab son of No 3 is employed in the South Indian Railway Mail Service on a pay of Rs 15 per mensem and lives in the house of his father-in-law at Madras.

No 13. Banu Begam lives with her son Nanni Jan Saib No 14 who is employed as a Clerk in the District Munsiff's Court at Tirupattur, Salem District on Rs 15 a month.

× This is expended the whole of it for the Service & repairs to the Mosque.

⊗ This brings in Rs 6 per annum.

3 Of the pension of Rs 130-10-8 drawn by the deceased Dulham Begam Sahiba only Rs 60-10-8 was — it is said — enjoyed by her, the remaining Rs 70 having been distributed among the several members of the family as shewn below.

4 From the above, Government will observe that of the 30 members who were enjoying the pension drawn by the deceased pensioner, only Nos 1, 3, 4, 13, 14, 15 and 19 appear to have other means of Subsistence as stated in para 2 Supra.

5 Parri Begam No 3 Syed Khaza Kathuddin No 1 Banu Begam No 13, and one Khaza Aziz Khan No 2 grand daughters and sons of 1st daughter of the deceased pensioner, have put in petitions to Government bearing Government Endorsements Nos 6225 and 6608 dated 19th and 30th October 1887, (which were referred for report in Continuation of the G.O to which this is a reply), Claiming the Continuance of the pension enjoyed by their grand mother on the ground that they are better Claimants.

6 All these petitioners except No 2 have other means of Subsistence as already stated.

7 The Government petitioners, the father, and senior paternal uncle of Pir Hazarath (the man recommended by the late Ag Collector Mr. MacCartie, in his tabular statement No 84, of 19th July 1887) are all grand sons and grand daughters by daughters of the deceased pensioner.

8 At the instance of the Sub Collector Mr. MacCartie recommended Pir Hazarath for the reasons that the deceased pensioner who succeeded to the allowance through her husband and not through her mother had nominated him as he was related to her in three ways.

(a) As grandson of her first Cousin (paternal uncle's son)

(b) As grandson of her second daughter

(c) As son of her Sisters grand daughter.

9 The Tahsildar of Arcot reported that he has not been able to record a statement from Government Petitioners as No 3 Parri Begam and No 13 Banu Begam respectively reside at Madras and Tirripattur

in Salem district, while No 1 Kajee Kutbuddin is at Hyderabad. No 2 Kaja Azizkhan lives at Arcot but is insane.

10. The petitions bearing Government Endorsements Nos. 6225 + 6608 of 19 and 31st October 1887 are herewith returned.

I have the honor to be
Sir
Your most obedient Servant

Ag Collector.

From Pari Begum & others of Vellore & the Collector of N. Arcot

Dated 12th August & 24th Decr/ 1887.

FOR ORDERS.

The jaghire granted by the Nabob of the Carnatic to one Saiyid Jellaludien was resumed× by Government in 1802, and a pension of 50 Pagodas a month was conferred upon him instead for life. On his death in 1828, ⊗ three-fourths of the pension (Rs 130-10-8) was continued to his widow for her natural life as she was reported to be in indigent circumstances. It was, however, distinctly stated at the time that the pension was to cease entirely on her death or to be continued at a reduced rate at the pleasure of Government. The

widow died in December 1886 leaving behind a family consisting of thirty members all of whom participated in the pension during her lifetime. The statement attached to the note shows the several persons who enjoyed the pension, the proportion in which they enjoyed it, and the other means of income possessed by them. The genealogical tree forwarded by the Collector shows their relationship to one another and to the deceased.

2. The Subcollector & the Collector recommend the continuance of the pension at the reduced rate of Rs 100 per mensem to one Peer Hazarath, No. 20 in the statement, on the foll. grounds:-

(1) that he is related to the deceased in three ways, being the grandson of her paternal uncle's son, the grandson of her second daughter, and the son of her sister's grand-daughter;

(2) that the deceased had nominated him to succeed to her estates & liabilities and he has accordingly succeeded to them; and

(3) that he is not in well to do circumstances and is, therefore, dependent on the pension.

The Government petitioners who are Nos. 1, 2, 3, & 13 on the list, on the other hand, assert that they have a better claim to the pension because they are the deceased's grandchildren by her first daughter while the person recommended by the Collector is but the great-grandson of her second daughter. Further, the latter's father being alive, he is not entitled to claim the pension under the Muhammadan Law, on the principle that "the nearer exclude the more remote". They, therefore, request that the pension be continued to them or else distributed among the surviving members of the family.

3. The first question to be settled is, whether the pension shall be continued at all. It is not hereditary and its continuance entirely depends on the pleasure of Government. The Collector recommends its continuance because the person who has succeeded to the assets & liabilities of the deceased, as well as some of the other members of the family who were dependent upon it, are not in good circumstances — Orders are requested.

4. If it be decided to continue the pension, it will then have to be determined in whose name it is to be [illegible]

continued. The claim of the Government petitioners rests, as stated above, ~~chiefly~~ on the ground that they are more closely related to the deceased than the Collector's nominee and that the latter is precluded from inheriting during his father's lifetime. If the pension were hereditary it would, no doubt, go to the nearest heir of the deceased in the ordinary course. But as it is not so, it is open to Government to take the other circumstances of the case into consideration in deciding upon the relative merits of the different claimants. Of the four Govt. petitioners, Nos. 1, 3, & 13 have other means of income and No. 2 is reported to be insane. The nominee of the Collector, on the other hand, is stated to be devoid of independent means of livelihood. He succeeded to the deceased's property consisting of a tiled house, a garden, & furniture worth about Rs 750 in all but encumbered to the extent of Rs 400. He further states that he performed the funeral ceremonies of the deceased and on that account incurred a debt of about Rs 1500. We have only his word for this statement and the amount borrowed is probably exaggerated. But seeing that he is related to the deceased in more ways than one; that the deceased had brought him up from his infancy & nominated him as the successor to her property, and that he has succeeded

to her assets as well as liabilities & performed her funeral rites under the expectation of drawing her pension, it seems but reasonable that the pension, if continued at all, should be conferred upon him. In that case he will, of course, have to give away a portion of it to such of the other members of the family as have participated in it hitherto. This he undertakes to do in his statement before the Tahsildar which forms an enclosure to the Collector's report.

5. It is reported that it has not been possible to send a statement from the Govt. petitioners as one of them

is insane and the others are not living in the District of North Arcot. This, however, does not seem absolutely necessary for the disposal of the case inasmuch as they have put in no less than three petitions to Government and have thus had an opportunity of saying their say.

I submit that continuing life pensions has a most pernicious effect and merely encourages people to be "loafers" and to do nothing to help themselves. So long as the semi genteel Mahomedan can get a pension of a rupee or two he will turn his hand to nothing. I would suggest that the pension be now being discontinued or that if it is thought fit to continue it it be reduced to one half with the most distinct intimation that on the death of the person to whom it is upon the present occasion assigned it will entirely lapse to Govt.

If this course is decided upon it is submitted that the pension should be conferred upon Peer Hazarath. There is no reason for making ~~[illegible]~~ the succession fall in the strictly legal line.

FOR ORDERS.

The family has been receiving compensation for this resumed Jaghir during a period of eighty four years and by rights there sh^d. be some finality ab^t. it.

There has been considerable delay, from one cause & another, in dealing w. this claim — the last holder having demised in December 1886. I don't like to add to the delay by calling for more information — but I sh^d. have liked to know how ~~other~~ similar lapses among the other ~~&~~ Jaghirdars who were pensioned off in 1802 on the resumption of their jaghirs have been dealt with, e.g. in Jamal-ud-din Khan's case dealt with in E.M.C. 5 August 1828 No 554.

As that order provided for a possible reduced grant on the demise of the then incumbent it will, I think, be right to give the late Begum Sahiba's family the benefit of the doubt and to grant to the individual recommended by the Collector a life pension of half the amount drawn by his great grandmother with the distinct intimation that no further continuance will be permitted.

He has, it seems, undertaken to arrange with the other members of this numerous family
