READ—the following paper:—

Proceedings of the Board of Revenue, dated 7th December 1886, Mis. No. 9033.

Read—the following papers:—

From J. THOMSON, Esq., Acting Collector, Kistna District, to the Secretary to
the Board of Revenue, dated Masulipatam, 20th October 1886, No. 3910.

I have the honor to submit a plan and an estimate for Rs. 1,170 for the construction of a treasury office in front of the treasury room in the Gudivada taluk cutcherry, the treasury room having already been constructed agreeably to G.O., No. 1821 W., Public Works, of the 28th July 1884.

2. The new treasury room is not connected with the main cutcherry building and has no accommodation for the Sheristadar and his shroff. It is, therefore, proposed to build an additional room for them directly opposite.

3. The treasury room site would seem to have been unfortunately selected away from the main building. It may be that it is in the only suitable place; but at all events the Sheristadar must be in its vicinity.

4. I request, therefore, that the work may be sanctioned and funds placed at the disposal of the Public Works Department out of any savings.

From R. SEWELL, Esq., Acting Collector, Kistna District, to the Secretary to
the Board of Revenue, dated Masulipatam, 19th November 1886, No. 4472.

Referring to the Board's Reference on General Register No. 5657, dated the 1st instant, I have the honor to submit, herewith, the plan and estimate of the Gudivada taluk cutcherry, duly countersigned.

Resolution—dated 7th December 1886, Mis. No. 9033.

The plan and estimate, amounting to Rs. 1,170, for adding a room to the new treasury in the Gudivada taluk cutcherry, are submitted for the sanction of Government and for the provision of funds in the Public Works Department. It is stated that the present treasury does not afford accommodation for the Sheristadar and his shroff.

(True Copies and Extract.)

(Signed) H. A. SIM,
Acting Sub-Secretary.

Mis. No. 448, Revenue.

Approved and transferred to the Public Works Department for the necessary orders.

2. The Board will ascertain and report, for the information of Government, why the site on which the treasury room has been built, and which is represented by the

Collector to be unsuitable, was selected, and whether any objection was made to it by the Revenue authorities at the time.

ORDER—dated 4th February 1887, No. 274 W., Public Works.

The estimate, amounting to Rs. 1,170, for adding a room to the new treasury in the Gudivada taluk office, is sanctioned, and the amount is allotted from the Provincial reserve with the Government.

NOTE OF REMARKS.

1. The accompanying revised estimate provides for constructing a Treasury Office in front of Treasury Room in the compound of the Gudimada Sahy Cutchery in the District Eastern Division. The amount of the estimate is Rupees 1300 or Rs 130 in excess of Rs 1170 originally sanctioned in G.O. No 274 H of the 4th February 1887.
2. The excess of Rs 130 is due to retaining wall to the edge of floor + for foundation for the pillars which was not allowed in the original estimate; to the floor, cement is substituted for

for chumam; some of the
jack rafters at the hips
were omitted in the original
estimate & now allowed;
to excess measurements for
doors and windows than
that allowed in the original estimate.
