From,

To,

The Collector of Salem.

Sir,

I have the honor to forward
for transmission to Government for
sanction a plan and revised estimate
amounting to Rs 1092 for certain repairs
to the Talug Cutcherry at Tirupathur, together
with a Comparative Statement. The repairs
chiefly consisted of renewing a compound wall
that had fallen down and repairs to
floor, doors and windows and roof.

2. An estimate of Rs 972 for
the above work was sanctioned by me
in November 1887, under 'special repairs'

as it was within the limit of my power
to sanction. The excess of Rs 120 has been
due to the new wood work now found
necessary to replace the beams observed
to be decayed during the progress of the
work as explained in the Comparative
Statement and the extra work had to be
carried out in anticipation of sanction.

3. As the amount of the estimate
under reference now exceeds one fourth
the book value of the building Rs 4,110, it
must be classed as "new work" under
para 909 of the Public Works Code and
will therefore require the sanction of
Government.
