for their sanction a Revised Estimate amounting
to Rs 6,340 for repairing the masonry works of the

of Rs 2000. was provided for the repairs of the
masonry works and was sanctioned by the Court
of Wards in their Proceedings No. 846 of 15th July '86.
3. In carrying out the repairs of the surplus
shice and 117 Irrigation Shices the amount
allowed in the sanctioned estimate was found
quite insufficient, hence the submission of
the revised estimate.

No. 247. Circular Memorandum from Lieutenant-Colonel E. COLLEN, Secretary
to the Government of India, Military Department; dated Fort William, the
16th May 1888, No. 1210-C.

Establishments—Departmental.

With reference to the memorandum from the Military Department, No. 1266-
D, dated 20th August 1879, ordering that when a Government servant is dismissed
the charge against him should be reduced to writing, it is to be considered that the
order applies to men discharged for inefficiency as well as to those dismissed for
misconduct or any other cause.

2. In most cases the circumstances which are evidence of inefficiency are as
capable of being reduced to writing as the circumstances which are evidence of an
offence, and the explanation of the Government servant it is proposed to discharge
should be received and considered before the order for his discharge or dismissal
is passed.

3. There may be occasional cases of a peculiar kind where it may not be
possible to follow the above course; such cases are to be dealt with in the spirit of
the orders on the subject. It would defeat the object of the orders of the Govern-
ment of India if dismissals for inefficiency were admitted without the enforcement
of the prescribed precautions so far as they can be applied.

No. 247. Circular Memorandum from Lieutenant-Colonel E. COLLEN, Secretary to the Government of India, Military Department; dated Fort William, the 16th May 1888, No. 1210-C.

Establishments—Departmental.

With reference to the memorandum from the Military Department, No. 1266-D, dated 20th August 1879, ordering that when a Government servant is dismissed the charge against him should be reduced to writing, it is to be considered that the order applies to men discharged for inefficiency as well as to those dismissed for misconduct or any other cause.

2. In most cases the circumstances which are evidence of inefficiency are as capable of being reduced to writing as the circumstances which are evidence of an offence, and the explanation of the Government servant it is proposed to discharge should be received and considered before the order for his discharge or dismissal is passed.

3. There may be occasional cases of a peculiar kind where it may not be possible to follow the above course; such cases are to be dealt with in the spirit of the orders on the subject. It would defeat the object of the orders of the Government of India if dismissals for inefficiency were admitted without the enforcement of the prescribed precautions so far as they can be applied.

In most cases the circumstances which are evidence of inefficiency are as capable of being reduced to writing as the circumstances which are evidence of an offence, and the explanation of the Government servant it is proposed to discharge should be received and considered before the order for his discharge or dismissal is passed.

3. There may be occasional cases of a peculiar kind where it may not be possible to follow the above course; such cases are to be dealt with in the spirit of the orders on the subject. It would defeat the object of the orders of the Government of India if dismissals for inefficiency were admitted without the enforcement of the prescribed precautions so far as they can be applied.
