Sir,

With reference to your
indorsement, No 53990
of 23-5-88 on the letter
from the Chief Engineer
No 1866 C of 12-5-88, I
have the honor to inform
you that the Travelling
allowance of B Lakshmi
Delta Superintendent
while employed on
survey duties from
August 1885 to July 1888
was under dispute
and was disallowed
by the Examiner and
therefore the claim for

* herewith returned

November and December 1886 were not passed by the then Executive Engineer and the journals were returned. For the same reason I did not pass the claims for June 87.

2- In your Lt 2656 of 22-2-87 sanction of Government for the claims under dispute was applied for and it was obtained in G.O. No. 2399 of 6-9-87 which was received in this office on 16 October 87. The sanction accorded was only for the claims from August 1885 to July 1886.

3 The Delta Subdt. received his arrears of travelling allowance on 18 November 1887.

My dear Sir,
I have the pleasure to inform you that the claims for Nov. & Dec. 86 have been passed by the most honored Sir because the Government did not apply for the claims of these months (Nov. & Dec. 86) at the time till the results of previous claims is known.

Yours faithfully,

The Chief Engineer was addressed on the subject in No. 252 of 20-4-88. He has been sanctioned.

He then resubmitted his claims for the 3 months in question to this office on 14-12-87 and in my Lt 423 of 30-1-88. I requested that sanction might be accorded to them. This is the explanation for the delay.

3. Three journals are herewith submitted in evidence to the allowance having been earned by actual travelling.

4- I therefore request you will be good enough to obtain sanction for the travelling allowance Rs: 29-6- he is entitled to accord to his journals here.
