20TH AUGUST 1888, No. 2562 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account

READ—the following papers:—

From E. J. SINKINSON, Esq., Officiating Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 5th June 1888, No. 2958.

In your endorsement to the Secretary to the Government of India in the Public Works Department, No. 1127 W., dated 14th April 1888, the sanction of the Government of India is requested to the expenditure of Rs. 18,979 incurred in 1887-88 on the following new works at Government House, Madras:—

- (1) Improving Aide-de-Camp's quarters;
- (2) Constructing a swimming bath;
- (3) Constructing a racquet court.

2. In reply, I am directed to invite the attention of His Excellency the Governor in Council to the ruling conveyed in the letter from this department, No. 5762, dated 28th October 1887, in which it was decided that the cost of reforming tennis courts attached to the Government House at Ootacamund should not be charged against General Revenues; and to add that the same ruling is applicable to items 2 and 3 referred to above, the cost of which is chargeable to the contract allowance of His Excellency the Governor. This being the case, the expenditure incurred last year will not be in excess of the annual limit of Rs. 15,000 within which the Madras Government has powers of sanction.

Ordered that copy, with copy of Madras Government, No. 1127 W., dated 14th April 1888, be forwarded to the Public Works Department for information.

From the Officiating Under-Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 11th August 1888, No. 4407.

I am directed to acknowledge the receipt of your letter No. 1874 W., dated 23rd June 1888, requesting a reconsideration of the decision conveyed in the letter from this department, No. 2958, dated 5th June 1888, regarding the expenditure incurred in 1887-88 by the Government of Madras in constructing a swimming bath and racquet court at Government House, Madras.

2. In reply, I am directed to say that as the expenditure has actually been incurred, the Governor-General in Council accepts the proposal of the Government of Madras that the excess over Rs. 15,000 should be taken in reduction for the current year of the maximum amount which may, under Section 190, Chapter XV, of the Public Works Department Code, be spent on buildings occupied by the head of a Local Government. I am, however, to draw attention to the fact that the sum of

Rs. 15,000 mentioned in that section merely indicates the maximum amount which may be spent in any one year, and that this should not be treated as an annual grant. As regards the works which may be charged to the grant from the Public Works Department, I am to say that the Governor-General in Council does not consider it possible to lay down a rule which will provide for all cases, but that the principle indicated in Section 190-A, Chapter XV, of the Public Works Department Code should be followed, namely, that the buildings must serve some public, and not only a private, purpose.

Ordered that copy be forwarded to the Public Works Department for information.

ORDER—dated 20th August 1888, No. 2562 W., Public Works.
