READ—the following papers :—

From Colonel ROSS THOMPSON, R.E., Executive Engineer, Presidency Division, to the Superintending Engineer, V Circle, dated Bangalore, 29th November 1887, No. 924 S.E.

On receipt of Superintending Engineer's memorandum, No. 3650, dated 19th October 1886, the payment of compensation for quarters was discontinued from the month of October 1886, and medical officers concerned were informed that house-rent in lieu of compensation would be paid. The bills for compensation for quarters received from the Senior Medical officer, Station Hospital, Madras, were therefore returned to that officer, and he was requested to submit the claims in the house-rent bill form supported by landlords' receipts. These bills were retained by the Senior Medical officer, and no claim was made by him for either house-rent or compensation since October 1886. In his letter No. 313, dated 13th September 1887, he requests that some settlement may be made of the long outstanding dues to the subordinates of his hospital. I have therefore the honor to request you will be good enough to accord your sanction to the payment of compensation for quarters to the medical subordinates noted in the accompanying statement, who have permanently left Madras.

2. The subordinates attached to the Station Hospital are—

1. Apothecary H. Tallent.
2. Do. S. Sunjeeve.
3. Assistant Apothecary T. H. Bonner.
4. Do. A. W. J. Lynsdale.
5. Do. R. F. H. Hankins.
6. Do. J. J. Brodie.
7. Apothecary G. W. Eate.
8. Assistant Apothecary W. P. B. Hart.

Of the above, 2, 3, 4 and 6 are entered in the statement for compensation for quarters. I have asked the Senior Medical officer to submit house-rent bills supported by landlords' receipts for Apothecary Tallent, who is living in a house renting for Rs. 35 per month. As Apothecary Hankins has frequently been in and out of Madras, I have asked for particulars of his movements. Assistant Apothecary Hart is, I believe, living in the Esplanade Hotel, and I have asked for further particulars about him. Apothecary Eate has been transferred to Secunderabad, but as the date of his departure is not known, I have called upon the Senior Medical officer for information. On receipt of reply from the Senior Medical officer regarding Messrs. Hankins, Hart and Eate, I shall submit their claims for orders.

No. 3632.

Forwarded to the Chief Engineer, Public Works Department, for sanction to compensation in lieu of quarters being paid under the circumstances reported by the Executive Engineer to Apothecary Sunjeeve and Assistant Apothecaries Bonner, Brodie and Lynsdale who left the station. Assistant Apothecary Lynsdale however is again in Madras and draws house-rent. The sanction asked for above for payment of compensation is for October and November 1886 for Apothecary Sunjeeve, October 1886 to January 1887 for Assistant Apothecary Bonner, 14th November 1886 to April 1887 for Assistant Apothecary Brodie, October 1886 to 16th January 1887 for

Assistant Apothecary Lynsdale. I also request that sanction may be given under the circumstances to compensation in lieu of quarters being paid to Assistant Apothecary Hankins and Apothecary Eate for the periods they have been in Madras.

2. If Assistant Apothecary Hart has taken up his residence in the hotel without, as seems to be the case, applying to this department for quarters, he should not, I think, be considered as entitled to any compensation in lieu of quarters. I think explanation should be called for from the Senior Medical officer of the Station Hospital, Madras, as to his not complying with the Executive Engineer's request for house-rent bills instead of bills for compensation in lieu of quarters. The Executive Engineer's action in calling for house-rent bills is explained in my letter No. 1578, dated 9th July 1887, paragraph 2.

CHEPÂK,
2nd December 1887.

(Signed) H. M. VIBART, Col., R.E.,
Superintending Engineer, V Circle.

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 21st December 1887, No. 4090.

In continuation of my endorsement, No. 3632, dated 2nd December 1887, I have the honor to state that the amounts of compensation in lieu of quarters that will have to be paid, if sanctioned to Apothecary Eate and Assistant Apothecaries Hankins and Hart, will be Rs. 401-10-10, Rs. 310-7-10 and Rs. 270 as per details given in the accompanying statement.

From the Examiner, Public Works Accounts, dated 26th January 1888, No. 1003.

ORDER—dated 11th February 1888, No. 489 W., Public Works.

Payment of compensation in lieu of quarters for the periods mentioned, on account of the medical subordinates named in the

S. Sunjeeve.
T. H. Bonner.
J. J. Brodie.

A. W. J. Lynsdale.
R. F. H. Hankins.
G. W. Eate.

margin, is sanctioned; but the amount should not exceed the actual house-rent paid by each individual. Such amount

may be certified by the subordinates' superior officers if house-rent bills are not forthcoming.

2. With respect to Apothecary Hart, payment of compensation cannot be sanctioned in the absence of explanation whether application was made to the Executive Engineer to provide quarters for him.

3. The attention of the Surgeon-General will be drawn in the Public Department to paragraph 1136 of the Public Works Code, under which requisition should be made to the Executive Engineer in all cases to provide quarters for subordinates entitled thereto, and also to paragraph 1138, under which the Public Works Department is under no obligation to pay rent for quarters hired without its intervention.

Surgeon, Berhampore, dated 10th June 1888, No. 122.

In forwarding the enclosed, I have the honor to request you will be so good as to obtain the
sanction of Government asked for therein.

2. Not having known how the Accountant-General would deal with me (*vide* para. 2 of my
letter No. 110, dated the 21st April 1888), I was then not in a position to apply for quarters.

3. By the abolition of Tranquebar Civil Surgeoncy, I sustained a loss of Rs. 70 per mensem,
and if with this I have to forfeit house-rent, it will be very hard for no fault committed by me.
Under the circumstances, I beg the Government will be pleased to accord their sanction
to the bill.

From Honorary Surgeon E. A. MORRIS, Medical Officer, Chatrapur, to the Executive
Engineer, Tanjore Division, dated 21st April 1888, No. 110.

In forwarding the enclosed bill for house-rent, I have the honor to inform you that the
Accountant-General, agreeably to Proceedings of Government No. 1645, of 12th December 1887,
Public Department, audited my pay bills according to my military rank and declined to pass
the civil rate; hence the necessity for submitting a bill for house-rent.

2. My pay bills were returned to me audited only yesterday, and until I knew how the
Accountant-General would deal with me, I could not submit house-rent bills. You will greatly
oblige by sending me a cheque on the Ganjam treasury.

From Major C. H. P. CHRISTIE, R.E., Examiner, Public Works Accounts, to the
Executive Engineer, Tanjore Division, dated Madras, 23rd May 1888, No. 444 S.E./6.

In returning herewith your endorsement No. 1590, dated 4th May 1888, and its enclosures,
I have the honor to state that as Mr. Morris did not apply for quarters as required by Public
Works Department Code, para. 1186, he should apply for the sanction of Government to the
disbursement of any compensation that he considers due to him.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Portacamund 4 August 1888.
Fort St. George,

No. 4401

From G. Bidie Esqr. M.B., B.S.E.
THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Portacamund
Fort St. George,

To

THE Chief Secretary to Government
Public Department

SIR,

With reference to G.O. No. 2110 W of 12th July 1888 forwarded to me under Public Department Endorsement No. 2546 current of the 25th idem, I have the honor to state that G.O. No. 1645 Mis. Public of 12th December 1887, reducing Tranquebar to an Apothecary's charge was communicated to Honorary Surgeon Morris on the 16th idem, and from this order it must have been clear to him that he would in future be only entitled to the pay and allowances of his rank instead of the Civil Surgeon's pay of Rupees (350) three hundred and fifty, which he was hitherto drawing.

2 His plea therefore that he could not submit house-rent bills until he knew how the Accountant General would deal with him does not appear to me to be very satisfactory.

3 I may however mention that G.O. No 489
W. dated 11th February 1888, fixing the
procedure to be adopted by Warrant Officers
was received in this office on the 5th of March
under Public Department Endorsement
No 233 of 3rd March 1888 and was circulated
to Medical Officers and Subordinates later on.

I have the honor to be
Sir
Your most obedient servant

Sdri M. B., C. I. E.
Surgeon General
with the Govt of Madras.
