GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Order—dated 22nd August 1888, No. 2584 W., Public Works.

It being desirable that the occupation of rest-houses in charge of the Public Works Department should be properly controlled, the following rules are approved, and will be acted on in future:—

(1) Rest-houses are under the charge of the Executive Engineer of the division in which they are situated.

(2) No rent or fees are to be paid for their temporary occupation by officers or subordinates of the department on duty. By "temporary" is ordinarily meant for a period not exceeding ten days.

(3) When, with the sanction of the Superintending Engineer, a rest-house or portion thereof is occupied as a residence, rent will be charged; the amount to be paid to be settled under Code Rules.

(4) Rest-houses when not in use by members of the Public Works Department are available free of charge for temporary accommodation by officers of other departments of corresponding grades to the engineering and subordinate establishments of the Public Works Department.

Rest-houses which may be appropriated by Superintending Engineers for officers and Sub-Engineers will not be available for subordinates of lower rank of whatever department without the special permission of the Executive Engineer.

(5) It is to be distinctly understood that the Public Works officers have the prior right of occupation, and all other Government officers, when wishing to occupy Public Works rest-houses, should, as a rule, obtain permission from the Executive Engineer before making use of them.

Should they, in cases of emergency, occupy a rest-house without previous permission, they must vacate at once if it is required by a Public Works officer.

(6) When desirable the Superintending Engineer may allow a rest-house to be used by private individuals subject to the condition that they must vacate if the accommodation is required by a Government officer on duty. A private individual occupying a rest-house under this rule will be charged 8 annas for each day or portion of a day of 24 hours.

(7) A book will be kept at each rest-house in which all persons stopping there are to enter their names, and time of arrival and departure.

Removed from 3224 [illegible] 27.3.05

not exceeding 10 days

(8) All persons occupying rest-houses are responsible for any damage they or their servants or followers may cause to the buildings or fittings.

2. The rest-house at the Seven Pagodas, when completed, is to be available under Rule 6 for private individuals.

6/6/88

There are I believe some orders regarding the use of Inspection sheds built for the use of P W officials by officers of other depts by the Public
There were orders drafted some years ago I should say nearly 20 years by Col Mullins (but I do not remember any other orders) that were approved of by Govt
If these are suitable the S.E. No II attention might be called to them. if not they might be modified by Govt and made applicable to the 7 Pagodas and other rest houses

(1) No 1596 P. W. of 16th June /74.
(2) No 1875 " 27th Oct /75
(3) No 1886 I 2nd March /86.

(1) sanctions the erection of a rest-house at Attili in Godavery Dist & orders Dist Eng^r to submit a scale of fees to be levied from all Officers & Subordinates.

This hardly applies to the present case.

(2) contains rules for the management of Canal rest-houses in Godavery of which Para 11 provides that members of other departments of grades corresponding to the P. W. establishment may make use of the rest-houses when not occupied by P. W. Officers ~~but nothing is said about~~

~~No charge is to be made~~
~~for these~~ [illegible] use.

~~no a residence~~.

(3). provides that the Buckingham Canal rest houses should be reserved for the exclusive use of P.W.D. Officers. discretion being allowed to S.E. to allow of their temporary occupation by Officers of other departments when not required by P.W.D. Officers.

In this no mention is made of charging for their use.

A special G.O. appears to be necessary to meet the case of the bungalow at Seven Pagodas & elsewhere.

The rules given in G.O. 1875 of 27th Oct/75. seem to be suitable. & a rule might be added providing for payment of fees by all persons other than Govt Officers on duty. who may at any time occupy the bungalows temporarily

Some rules are also required as to the length of time

?

be occupied

(1). when required by someone else

988/5

(2). when not required by anyone else.

24 hours is suggested for (1) & one week for (2).

Without (2) there is nothing to prevent people from occupying the bungalow more or less permanently.

It would perhaps be better to draw up revised rules unless you consider that the addition of the above to the existing rules will suffice. Copy of the rules relating to L.F. bungalows are also put up.

Note
To W

In a remark by H.E. on a draft G.O. regarding the Rest house now building at the Seven Pagodas, he stated that measures sh'd be taken so that fees for occupation of the bungalow sh'd be levied. I find there is precedent for this and think it would be as well the general rules (embodied in the present one) sh'd be issued regarding the P Wks Rest houses and a provision made for fees to be levied from private individuals making use of Rest houses when permitted to do

The G.Os on Rest house occupation are the following

— G.O. No 1875 of 27 Oct 78
G.O. No 1086 of 2 March 86

The proposed rules attached are embodied in the 1st G.O.

I do not see any necessity for prohibiting officers of other dept from ever making use of the Rest houses on Buckingham canal

not exceeding 10 days

The Secy & C.E.
I think the proposed rule No 7 ought to be sufficient

1/8/88

I see no objection to the rules proposed by E. ~~[illegible]~~ which can be issued if approved by the H.M. The B.C. rest houses were the subject of a great dispute. The late Dept. made us buy the [illegible] bungalow & made use of it & other rest houses to the exclusion of our men, but I think proposed rule 7 should now be sufficient

Rule (2)

I do not see any necessity for a limit of temporary occupation to be laid down but if thought necessary I would suggest 10 days.

Rule (4)

I consider that officers of other departments sh^d be allowed to occupy P.W. Rest houses free of charge.

As a rule only Officers and Sub Engineers are allowed to make use of Rest Houses. Supervisors and Overseers do so only with permission of the Ex. Engr. perhaps it will be plainer if after "Lower Ranks" be added "in the P.Ws and other Depts"

Rule (8)

P.Ws Rest houses are not furnished nor are they provided with any ~~cook~~ crockery or cooking utensils &c. as this is the case they sh^d be classed as 2nd Class
