Periyar Project apparently mis-
apprehended the orders of Government
contained in para 3 of G.O. No.
1791 W. dated 16th. June 1888. The
compounder should have been omitted,
as Government, in G.O. No. 307 W.
dated 25th. January 1888, have decided
that his pay should be charged as
a contingency of the work.

In the statement of the subor-

been eliminated and the statement as
reduced is sanctioned.
