GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

G.O., dated 31st July 1888, No. 4462, Revenue.

Read—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 19th June 1888, Mis. No. 3714.

Hon'ble W. S. Whiteside.

Read—the following papers :—

(1) Letter from the Collector of South Arcot, dated 28th April 1888, No. 145, and reference thereon, 9th May 1888.
(2) Letter from the same officer, dated 16th May 1888, No 174.
(3) Board's reference, dated 31st May 1888 on the above (1) and (2).
(4) Letter from the Collector of South Arcot, dated 6th June 1888, No. 192.

Resolution—dated 19th June 1888, Mis. No. 3714.

The plans and estimate for Rs. 17,190 for constructing a first-class taluk cutcherry at Villupuram are submitted for the sanction of Government and for the provision of funds in the Public Works budget.

2. From the last paper read above, it appears that the present cutcherry is built on the old plan, and is quite unsuited for modern requirements; that it is inconvenient in other respects also; that the treasury is not secure; and that a considerable amount of money would be required to put the building in a proper state of repair.

(A true Copy and Extract.)

(Signed) H. A. SIM,
Ag. Secretary.

Order—dated 31st July 1888, No. 4462, Revenue.

The provision made in the estimate received with the foregoing Proceedings of the Board of Revenue for a ryot's shed and a sub-jail latrine should be struck out with reference to the orders noted in the margin. With this modification, the estimate is approved and transferred to the Public Works Department.

Para. 2 of G.O., dated 7th June 1888, No. 1681 W., Public Works.
G.O., dated 20th September 1882, No. 2440 W., Public Works.

2. It is not stated what it is proposed to do with the present taluk cutcherry. It is understood that the construction of an office for the Sub-Registrar at Villupuram

has been sanctioned. If, however, the work has not yet been put in hand, it will be considered in the Public Works and Judicial Departments whether the proposed expenditure might not be saved by utilising the present taluk cutcherry for the Sub-Registrar's office.

(True Extract.)

(Signed) C. A. GALTON,
Ag. Secretary to Government.

Note by the Chief Engineer, Public Works Department.

The estimate of Rs. 17,190 for constructing a first-class taluk office at Villupuram in the South Arcot District has been reduced to Rs. 15,720 by the omission of the provision for a ryot's shed and sub-jail latrine; and the reduced amount is recommended for the sanction of Government.

2. Data lists have been submitted for some items that are in excess of the schedule rates; but this procedure is not approved; the proper course would have been to make the necessary alterations in the schedule and communicate the same to the Chief Engineer; data lists should only be furnished when work of some special character is contemplated; it is obvious that schedules of rates are of no use if estimates for ordinary works are to be accompanied by data working up to different rates.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, P.W.D.

21st August 1888.

Order—dated 24th August 1888, No. 2616 W., Public Works.

The estimate, amounting to Rs. 15,720, as reduced by the Chief Engineer, for constructing a taluk office at Villupuram in the South Arcot District, is sanctioned.

2. Attention is drawn to the Note by the Chief Engineer above recorded.

3. With reference to para. 2 of the order in the Revenue Department, it is observed that the new office for the Sub-Registrar at Villupuram was completed in 1887-88. When the new taluk office is approaching completion, the Superintending Engineer will, in communication with the Collector, submit proposals for utilising or disposing of the existing building.

4. The sanction accorded in para. 1 of these Proceedings has been registered as Provincial No. 74 W. of 1888-89, and classified as Civil Buildings, Original Works.

5. The Superintending Engineer will furnish the Examiner, Public Works Accounts, direct with a copy of the abstract estimate working up to the amount sanctioned.

Collector's Office,
Cuddalore,
14th October 1882

From

The Collector of
South Arcot 3/2616

3/2616 To

The Executive Engineer,
South Arcot Division.

Sir,

The Acting Sub Collector has submitted to me an Estimate amounting to Rs. 652 for building a shed in front of the Taluq kacheri at Villupuram, but as the amount required is considerable and the kacheri at Villupuram is in a bad state and it would be wasting money to spend the amount now required if there is any likelihood of a new one being built at an early date I have the honor to request that you will be good enough to inform me whether there is any chance of getting a new kacheri ere long.

I have &ca

Sir,

Board's Reference dated 31st Ulto on General Register Nos. 1457 and 1681 of 1888 (enclosures returned).

I have the honor to state that the Taluq Kacheri at Villupuram is one of the old muster having an open square in the centre and verandahs with rooms round it. It is quite unsuited for modern requirements and is exposed to rain and wind.

2. It is also in indifferent repair and a good deal of money would be required to do it up.

3. The Treasury is especially bad being only surrounded by bamboo rails.

4. The whole place is dark, dirty and inconvenient. The record room is said to be infected with Cobras!

Dated 31st July 1888

From the Secy to Govt: Rev: Deptt:-

Sanction (see note by S.A.W. and D.W.)

Note by E.W. within

NOTE OF REMARKS.

16.8.88

The Estimate under review amounting to Rs 17,190 provides for constructing a Third Class Taluk Cutcherry at Villupuram in the South Arcot District in accordance with the latest revised type design circulated with G.O. No 1495 W d/ 3rd June 1887.

It is explained that the present building was constructed on the old design, that it is in bad condition and quite unsuited for a Cutcherry.

The subsidiary buildings are to be constructed on the lines of the type design app but as the Sub Jail and Cook house exist there have not been provided for in the Estimate — The Ryots Shed, and Sub Jail latrine have been struck out of the Estimate in accordance with G Os No 1681W & 2440W of 7th June 1888 and 20th September 1882 respectively and in conformity with Rev: Proceedings No 4462 d/31st July 1888.

The amount of the Estimate has therefore been reduced from Rs 17,190 to Rs 15,720 by the omission of Rs 870 for the Ryots Shed and Rs 600 for the Jail latrine —

The estimate as revised stands as follows

Main Building	Rs 13,755
Public Latrine	" 733
Compound wall	" 770
Large gate with pillars	" 60
Small — do — do —	" 30
Land Compensation	" 190
Cost of [illegible]	" 62

Sheds for

The following are in excess of given in the Schedule of the Sub work

Brick in Rs 16-3-- of Rs 17-4-- per the estimate for foundations and basement and the better for superstructure against Rs 15--- in the Schedule.

Flooring with ½" Asphalte laid on a bed of 6" of concrete Rs 21-2-- against Rs 18-6-- per 100 sq ft laid on 4" inches of concrete.

Teak Rafters - Rs 8 per 100 Rg: ft against Rs 6-4-.

A saving of Rs 290 would be effected by adopting the rates in the Schedule.

A data list is submitted and the Estimate agrees with it, but the submission of data lists is both objectionable and unnecessary for ordinary Estimates like the one now submitted for sanction, as they enlarge the Schedules and them practically

When rates are division or Sub such rates should communicated

[illegible] would [illegible]
in [illegible] that the Schedule
[illegible] included –
In [illegible] the Schedule
of [illegible] the Current
[illegible] work was
[illegible] in four months

The Estimate is countersigned by the Collector and approved and transferred to this Dept. by Govt. in the Revenue Dept. with the following remarks –

"It is not stated what it is proposed to do with the present Taluk Cutcherry. It is understood that the construction of an office for the Sub Registrar at Villupuram has been sanctioned. If however the work has not yet been put in hand, it will be considered in the Public Works and Judicial depts whether the proposed expenditure might not be saved by utilizing the present Taluk Cutcherry for the Sub Registrar's Office"

16/8/88

Dnl. – The sub registrar's office at Villupuram was completed in 1887-88.

In the draft order sanctioning the present estimate, this might be stated, & the S.E. asked to report in communication with the Collector, how the existing Taluk office can be utilised.

The question however appears premature. [illegible] cannot say when funds will be available for the new cutcherry.

Ce
16/8/88

It is better to place the proposal on record, if not, the question may be lost sight of when funds become available.
