Exec. Engineer
Timmerelly Div.

Submitted to the Chief Engineer, P. W. D., through the Examiner, P. W. Accounts,
Madras.

2. In this Statement an additional Clerk on Rs 15 is applied for for 8 months from August 1888 to March 189, and is intended for the Tenkarai Sub Division office, where the work is so very heavy that one Clerk is unable to keep up with it.

3. For many years past there have been two Clerks in the above office; the Executive Engineer reports that the office work is now falling into arrears, as one clerk is quite unable to get through Account work and to keep with the very heavy correspondence. It is therefore strongly recommended that the application be sanctioned.

4. The existing temporary establishment for the Division was sanctioned in G. O. No 1613 W. of 4th June 1888.
