By order,

G. H. Walker

Under Secretary.

No. 2618D., dated Simla, the 2nd July 1888.

From—MAJOR A. D. ANDERSON, Officiating Deputy Secretary to the Government of India, Military Department.

To—The Commissary-General-in-Chief.

The question of the continuance of rations on payment to postal clerks, postmen, clerks, signallers, agents and others in Upper Burma, who are not entitled to the concession in Lower Burma, having been under the consideration of the Government of India, it has been decided that, when taking the field, or when it is certified by competent authority that supplies are not procurable, the issue of rations on payment should be made to the employes of the Postal Department.

2. As regards Telegraph Department employes, soldier signallers should be allowed to continue drawing rations, but the privilege should cease in the case of construction parties from the 1st April 1889.

3. I am to add that in these matters, it is the policy of the Government of India to discontinue special issues which, while taxing the resources of the Commissariat Department, prevent the development of local trade: but at the same time it is to be understood that the local authorities are empowered to make particular exemptions from the rule on very special occasions.
