READ—the following paper :—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General,
to the Secretary to Government, Military Department, dated Ootacamund,
16th August 1888, No. 2965 A.

Referring to O.G. No. 3973, of 14th June 1888, I am desired to state that the Chief Veterinary hospital at Bangalore having been established in the infirmary stables of the British Cavalry regiment there, it has been found that the pharmacy attached to these stables, though perhaps sufficiently large for the requirements of a British Cavalry regiment, fails to meet the requirements in connection with a Chief Veterinary hospital, inasmuch as it lacks the necessary accommodation for an office for the Chief Veterinary Surgeon and for a store room for the custody of the large quantities of stores which necessarily have to be kept there.

2. In para. 4, clause 2, of this office letter No. 3854 A, of 13th October 1887, recorded in O.G. No. 6672, of 31st idem, it is proposed to provide a suitable pharmacy and store room by adapting the existing Armourer's shop of the British Cavalry regiment for the purpose; but as this arrangement cannot be carried out until a new Armourer's shop is provided, which might be at a very distant date, His Excellency the Commander-in-Chief recommends that the Public Works Department be authorised to rent a private house for the purpose, a suitable building, known as the Scripture Reader's house, being at present available at a monthly rent of Rs. 20, in which accommodation could be found for a pharmacy, store room, and also quarters for the Line Orderly.

No. 5629, Military.

Transferred to the Public Works Department for favor of necessary action.
