READ—the following papers:—

From Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 15th December 1887, No. 4909 A.

In submitting, for the sanction of Government, the accompanying estimate, amounting to Rs. 749, for removing the walls at the west end of the old cavalry stables, Agram, Bangalore, and rebuilding them at the end of the stables, I am desired to note that each line of the stables having been extended westward, the walls before forming their western boundary and serving to enclose the stabling of each troop are now in the middle of the lines, thus dividing the troop lines and leaving one end unenclosed.

2. I am to solicit the sanction of Government to the work being executed in anticipation of the provision of funds.

No. 8009, Military.

Approved, and transferred to the Public Works Department.
