READ—the following paper :—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 17th July 1888, No. 780.

I have the honor to request sanction to the transfer of the tools shed of this department at Kudlighi, in the Bellary District, to the Taluk Board for conversion into a travellers' bungalow.

2. This shed, which was formerly used as a range office, is in very bad order, and is no longer required by this department.

3. The building is roughly valued at Rs. 400. The Taluk Board is willing to pay for it, *if necessary*, but the price has not yet been settled.

ORDER—dated 2nd August 1888, No. 2346 W., Public Works.

The transfer of the shed to the Taluk Board, free of charge, is sanctioned, subject to the conditions that the building is to be retransferred to Government, should it cease to be used for a local fund purpose; and to the further condition that it must be given up if required hereafter by any Government department, subject to such compensation as may seem equitable for improvements.
