SIR,

1 With reference to your Memo No. 1898 C. dated the 16th May 1888, I have the honor to state as follows:-

1 In the case of Viragapatam Sub Division the Executive Engineer gives as the excuse for non examination of it at the proper time that the 6 months after previous examination came in January & he had not then an opportunity of inspecting it owing to his having then accompanied the Supt. Engineer on tour & not returned till end of February 1888-, when he got repeated attack of fever- I consider that knowing beforehand that he would have to accompany me on tour in January he should have conducted the inspection in December-

2. In the case of Berhampore Sub Division Mr. Wyburn who was then in charge of late Ganjam Division states that the inspection because of the changes in the Divisions & Sub Divisions which were to take place from 1st April; this does not seem to me a satisfactory reason.

I have the honor to be,
Sir,
Your most Obedient Sh
