With reference to your endorsement
No 2498 C of 3rd July 1888, I have the honor
to state, that as Mr Rathnasabapathi Pillai,
Assistant Engineer, was put to no extra expense
during the short time he was in charge of
the Division, I do not see why he should
get Presidency Allowance and Home Rent,
that is, if these allowances are given for this
reason, but if they are granted "ex-officio"
then he is entitled to, and should get them.
