3. An additional allotment of ~~Rs 3000/-~~ ^{is now} ~~of Rs 10,000~~ will be made for the Calicut-Vajptri road ^{and} should ^{other} funds become available before the close of the year, the balance of Rs 7000 applied for, will be granted.
 4. If the sum of Rs 272 required for constructing cook and bath rooms to the Sub Registrar's quarters at Vajptri cannot be met from the current year's allotment for minor works in the West Coast Division, the work should be included in the statement of demands on the reserve with the Govt for 1888-89.
 5. Application should be made to the Director Genl of the Post office in India for the allotments required under Postal Minor Works. There is a lump sum at his disposal for such works.
 6. The statement of savings and demands under "Imperial, Military" will be disposed of separately.
- P.S. 1/11/11

This is not very satisfactory. It will be better to give Rs 2250 at once with a promise that rest if possible. Other wise the work can't go on & previous time will be lost.

To B.W.
I have an attention of para 3 to meet the Hon Member's requirements. ^{MS 20-1-88}
