No 185 G.L. Superintending Engineer's Office
2nd Circle, Bezwada
15th August 1888-

From

J. Harman Esq. nro,
Superintending Engineer,
II Circle

To

The Chief Engineer,
Public Works Department,
Madras.

Sir,

With reference to para 2 of your
Memo No 2694 c of the 16th July 1888,
requesting me to explain the Cause of short
outlay to end of May 1888, under Provi-
-cial, Civil Buildings, Original works,
I have the honor to refer you to my
remarks on the Progress Report for
June 1888, which accounts for no outlay
against a grant of Rs 16,000, out of
Rs 42,404, which is the total amount of
grant for the Circle.

2. Out of the balance of Rs 26,404,
Rs 15,000 is for the Collector's cutcherry
at Nellore. The Executive Engineer

Vellore Division states that all the necessary arrangements have been made by him for starting the work, that the necessary materials are under collection, and that he will commence to show expenditure from August.

3. The Executive Engineer reports that the other works are in progress, and that expenditure will be shown in August.

4. With regard to the grant of Rs 3,543 for the District Jail at Vellore, I have to state that owing to the excess outlay on this work, during the past official year, the Executive Engineer states that Rs 2,100 can be surrendered and recommends that this allotment may be transferred to the following sanctioned works.

Quarters for a Sub Division	
Officer at Quair	Rs 1400
Improving the Workshops at	
Vellore	Rs 700
	2,100

I request, therefore, that the above transfer of funds may be sanctioned.

I have the honor to be
^{Sir}
Your most obed^t servant

J. H. H. H.
Superintending Engineer
H. C. H.
