Account.

Read—the following letter from R. B. BUCKLEY, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 12th January 1888, No. 13 B. :—

I am directed to acknowledge the receipt of your letter No. 448 D., dated 19th August last, and subsequent reminder of the 16th November, inquiring whether the order in paragraph 1 of this office letter No. 16 B., of the 12th January 1887, may be regarded as a general rule to govern similar cases of provincial buildings occupied by Government officials.

2. In reply, I am directed to state that the order was not intended to have general application. On receipt of replies to this office circular letter, No. 365 B., of 1st October last, the Government of India proposes to issue some rules on the general subject. In the meantime I am to state that, if the Government of Madras desires, in any special cases, to assess rents at lower rates than those defined by code rules, the orders of the Government of India should be taken.

Order—dated 21st January 1888, No. 250 W., Public Works.

Communicated to the Examiner, Public Works Accounts, with reference to his office note No. 414, dated 4th August 1887.

2. A copy of G.O., No. 1659 W., dated 18th June 1887, fixing the rent to be paid by Inspector Whalley for Government quarters at Palamcottah will be forwarded to the Government of India for confirmation.
