GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From J. A. JONES, Esq., M.I.C.E., F.R.S.E., Vice-President, Municipal Commission, Madras, to the Chief Secretary to Government, dated Madras, 21st July 1888.

With reference to G.Os., 12th May 1887, No. 839 L, and of 25th April, No. 794 L, I have the honor to forward a copy of my "Manual for District and Municipal Boards."

2. The work, it will be noticed, has much extended beyond the limits which I originally laid down, but this, seeing the number of subjects included, could hardly be avoided.

3. The work comprises some 355 pages (against 300 proposed) and 22 plates and 48 diagrams, which latter are more numerous than I anticipated would be required, but which I found necessary for the due elucidation of the text.

4. The number and arrangement of the chapters are also somewhat different from what I proposed; while additional chapters on "street lighting" and "loans" have been added. "Vaccination" (by Dr. C. M. Thompson, I. M. B.) forms a separate chapter, and a chapter on "statistics" has been combined with the one proposed on "registration of births and deaths."

5. The work being thus much more comprehensive than originally intended, will, I trust, fulfil its mission, viz., a guide to those engaged in undertaking sanitary and engineering works for the improvement of our towns and villages.

6. While the work has grown the cost of production has increased. I originally anticipated that with diagrams, it would cost Rs. 1,000 ÷ 250 = Rs. 4 per copy; 300 copies have been printed, and the Superintendent of the Government Press informs me that the actual cost to Government amounts to Rs. 4-13-0 per copy. I request the sanction of Government to fix the sale price at Rs. 6 per copy. This is a low charge for a scientific work and will leave only a small profit, but I am anxious that the work should be available to the public at a moderate price.

7. I request that Government will be pleased to give me 20 copies for distribution to "the Press," presentation copies, &c., and that the work may be brought to the notice of the Surgeon-General and the Sanitary Commissioner, and, in order to bring it to the notice of District and Municipal Councils, that the Superintendent of the Government Press may be requested to issue slip advertisements of the contents for issue to those bodies (the cost of such advertisements I will be glad to defray).

8. I understand that, in some instances, Government grant honoraria for works of this nature, and should it be considered that this is an instance in which such a grant may be made, I shall be glad in such event to make over the whole work to Government.

9. I trust the work, on which I have spent much time, labor, and some money, will meet with the approval of Government.

ORDER—dated 10th August 1888, No. 890 M., Local and Municipal.

The Government consider that Mr. Jones has performed the task he has set before him very creditably, and that his "manual" is likely to be of much assistance to persons engaged in Local Fund and Municipal administration.

2. The proposal to fix the price of the work at Rs. 6 per copy is approved, and the Superintendent of the Government Press will be instructed to place 20 copies at Mr. Jones' disposal free of charge. The Government will purchase 7 copies for their own use. As this order will be communicated to all Local Boards and Municipalities, the advertisements suggested in paragraph 7 of Mr. Jones' letter will not be required.

3. With reference to paragraph 8 of his letter, Mr. Jones will be informed that the Government see no reason to depart from the arrangement sanctioned in G.O., 12th May 1887, No. 839 L.

PUBLIC WORKS DEPARTMENT.

GENERAL.

To
The Secretary to the
Government of Madras,
Public Works Department.

Simla, the 30th July 1888.

Sir,

I am directed to acknowledge the receipt of your No. 1795 W. dated 16th June 1888 forwarding for orders an application from Mr. J. Span, late Executive Engineer in which he asks (1) for an increased rate of pension and (2) that his retirement be cancelled and he be granted two years Special Leave under the terms of Public Works Department Resolution No. 1940 G dated 3rd October 1887.

2.

In reply I am to say that
after

after a careful consideration of his case, the Government of India is unable to accede to either of Mr. Span's request.

3. It should however be made plain to him that he was entitled to more by the rules under which his pension was actually fixed; than he would have been under those of the uncovenanted service, instead of to less as supposed by him.

I have the honour to be,

Sir,

Your Most Obedient Servant.

COPY OF OFFICE NOTE FROM THE EXAMINER OF P. W. ACCOUNTS, MADRAS TO THE SECRETARY TO GOVERNMENT P. W. DEPARTMENT, NO. 1435 DATED 3RD. MAY 1888.

MR. SPAN'S PENSION CASE WAS CORRECTLY REPORTED UPON IN ACCORDANCE WITH THE RULES IN FORCE AT THE DATE OF HIS RETIREMENT ON THE 3RD. JUNE 1887. THE FACT THAT HIS PENSION ONLY COMMENCED FROM THE 3RD. SEPTEMBER 1887 IS BESIDE THE QUESTION; THIS WAS BECAUSE FOR THE FIRST THREE MONTHS AFTER HIS RETIREMENT HE WAS PAID FULL PAY IN LIEU OF NOTICE VIDE SECTION 104 RULE 2 OF THE CIVIL PENSION CODE.

2. EVEN IF MR. SPAN WAS ALLOWED TO HAVE HIS PENSION FIXED BY RULES INTRODUCED AFTER HIS RETIREMENT, HE WOULD NOT BE ENTITLED TO MORE THAN RS. 4000-0-0 PER ANNUM AS THE PENSION WOULD BE 22/60 OF HIS AVERAGE EMOLUMENTS (RS. 10472-0-0 PER ANNUM) AMOUNTING TO RS. 3839-0-0 AND NOT 22 2/3/60 OF HIS LAST PAY (RS. 11400-0-0 PER ANNUM) WHICH WOULD BE THE SUM OF RS. 4306 MENTIONED BY HIM.

3. THE PENSION HAVING BEEN CORRECTLY GRANTED IN ACCORDANCE WITH THE RULES IN FORCE AT THE TIME, THERE IS NOTHING THAT THE MADRAS GOVERNMENT CAN DO IN THE MATTER, BUT IT IS FOR THEM TO CONSIDER WHETHER IT IS NECESSARY TO FORWARD, FOR THE CONSIDERATION OF THE GOVERNMENT OF INDIA, MR. SPAN'S REQUEST TO HAVE HIS RETIREMENT CANCELLED AND SPECIAL PURLOUGH GRANTED TO HIM UNDER RULES WHICH WERE NOT IN FORCE WHEN HE RETIRED VIDE G.O. NO. 2841 W. DATED 22ND. OCTOBER 1887.
