GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 20th August 1888, No. 1142 T.J.

Out of the 10 miles of the road No. 6 from Tanjore to Govindagudi, in the Tanjore Division (item No. 29 in the list of Repairs—Incorporated Local Fund Budget of 1888-89), $7\frac{1}{2}$ miles have been taken over back by the Local Fund Department, as it would appear that, by some mistake, the whole road, instead of only $2\frac{1}{2}$ miles, was taken over last year by the Public Works Department. This department has no interest in the portion $7\frac{1}{2}$ miles; only $2\frac{1}{2}$ miles form the right bank of Vettar.

2. I have, therefore, the honor to request that Rs. 675, the allowance for the $7\frac{1}{2}$ miles in question, may be replaced at the disposal of the Local Fund Department from the grant of Rs. 900 sanctioned for the whole 10 miles of the road in the budget.

ORDER—dated 31st August 1888, No. 2701 W., Public Works.

In the circumstance stated by the Superintending Engineer in his letter above recorded, a sum of Rs. 675, or Rs. 840 including per-centage charges on account of establishment and tools and plant, will be resumed from the current year's grant for road No. 6 from Tanjore to Govindagudi and placed at the disposal of the Local and Municipal Department.
