The charge held in each case appears to have been a merely nominal charge such as is contemplated in P. W. D. Code para 457 and which does not carry with it any claim to acting allowances. If any such claim did arise, it would apparently be barred by section 5 of the Pay and Acting Allowance Code, as both Messrs. Lafrenais and Baker would be officiating for Mr. Grimes Executive Engineer on privilege and in neither case was there any change of station as a consequence of the assumption of the charge in question.

report from assumption, not
from any knowledge of facts.

M^r Laprenais was trans-
ferred from S. A. to
Trichinopoly for the express
purpose of relieving Capt-
Langley, & yet the Cⁱ says
that it was a mere nominal
change, such as is contemplated
in Code para 457, & that
there was no change of
station.

M^r Baker's case
perhaps is different.
He stood posted to Trichin-

from priv. leave, to take
Lieut. Talver's place, so
that he would leave some
time in respect of his
absence - or Capt. Langley's
absence - He may perhaps
be admitted that there
was no change of station in
his case.
