Read the following paper:—

Letter from the President, District Board,
Tanjore, dated 27th August/88 No 180.

Adverting to para 2 of my letter No
153 dated 2nd August 1888 disposed of
in Government Order No 15112. Dated
15th August 1888. I have the honor to report
that from a communication since received
from the President of the Taluk Board
Tanjore it appears that a provision of
Rs 50 was made by the Taluk Board
in January 1888; but that the Executive Engineer
having informed the President that the allot-
ment was unnecessary owing to the execution
of improvements to the flood banks during
the year 1888-89 the sum allotted was not
placed at the disposal of the Public Works
Department vide extract from the letter
