From the Supy. Engr. III Circle

Sanction No. 230.00

Note by E.W. The P.W. units of work should immaterial be used in all estimates that are to be submitted to the Public Works Department.

NOTE OF REMARKS.

The Estimate under sanction

amounting to Rs 2800 provides for constructing a building capable of accommodating the Office of the District Board, Taluk Board, and Local Fund Engr. at Coimbatore -

The Chief Engr. note and file of original papers are at Ooty but in para 2 of P.E. letter No 342 E.W. d/15th August 1888 it is stated

"The suggested work in the Chief Engr. note communicated with the Secy. to Govt No 315 d/13th June 1888 have been attended to -"

The Estimate has been revised in a

previous to the work there
 can be further remarks
 by the Board that
 attention may be called
 to the units adopted
 in the Estimate as they
 do not correspond with
 the units used in the
 Public Works Dept. and
 that it would facilitate
 work to adopt the P.W.
 units in future estimates
 and this is done.

Brick work and
 Brickwork are the only
 in excess of the P.W. when
 but this saving is so
 small that it is not
 worth mentioning.

The plan & Estimate
 have been considered
 by the President of the
 Local Fund Board of the
 S.E. although they
 are submitted by the
 Officer and have his Office
 Stamp.
