Account.

READ—the following paper:—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 24th August 1888, No. 1653 M.W.

In reply to your letter No. 2102 W., dated 11th July 1888, to the address of the Secretary to the Government of India, Public Works Department, I am directed to state, for the information of the Governor in Council, that a medical subordinate temporarily absent on duty may draw compensation in lieu of quarters which he was in receipt of before he left the station. In this connection, however, I am to invite your attention to paragraph 3 of Military Department No. 681 M.W., dated 10th May 1886, which contains the orders of the Government of India in regard to the grant of compensation for the non-provision of quarters.

2. With regard to the suggestion in paragraph 2 of your letter under reply, I am to say that it is not considered desirable to lay down any limit to the period of temporary absence of a medical subordinate during which compensation may be drawn.

ORDER—dated 7th September 1888, No. 2770 W., Public Works.

Sir,

In view to a definite ruling
being obtained on the point at issue,
I have the honor, by order, to submit
for the orders of Government the
following case in connection with the
claim of Warrant Medical Officers to
retain public quarters, or if in receipt
of compensation in lieu of quarters
to continue to draw such compensation,
during temporary absence on duty
from their stations

- (1). Assistant Apothecary Hart,
doing duty in the Eastern District -
and who was in receipt of compensa-
tion in lieu of quarters, was temporarily
detached from Madras on duty to
Bombay from 7th to 23rd November 1887 -
and again to Rangoon from the
24th November to 22nd December
1887.

(iii) In January 1888 the Medical authorities at Madras submitted to the Executive Engineer the usual bill for compensation in lieu of quarters for the months of November and December; the Executive Engineer however declined to admit the claim from 7th November to 22nd December on the grounds that asst. apothecary Hart is reported to have been absent from Madras from 7th November 1887 to the 22nd December 1887, he is not entitled to compensation for that period, the rules of the Department allow House rent only to be drawn during temporary absence on duty.

(iii) When in reply para 1445 of the Pay Code of 1881 - which is reproduced exactly in para 1210 Madras P.W. Code - was quoted the Executive Engineer rejoined by invoking attention to paras 1209, 1210, 1213, and 1214 Madras P.W. Code and suggested a reference to "Higher authority".

(iv) The Superintending Engineer S^r Cereb subsequently confirmed the action of the Executive Engineer adding that "unless application was made to the Executive Engineer for quarters for asst. apothecary Hart and

no quarters were provided by the Executive Engineer that officer cannot under the rules admit any compensation in lieu of quarters."

(v) The Surgeon General has now submitted the matter for the consideration of the Command-in-Chief remarking that para 1210 Madras P.W. Code seems distinctly to provide for the case and that the point raised by the Superintending Engineer had been disposed of inasmuch as so long back as February 1887 application had been made to the Executive Engineer for asst. apothecary Hart.

(vi) Para 1210 Madras P.W. Code seems specifically to refer to "Presidency House rent" or the additional percentage allowed at Presidency towns vide the remarks in Section II appendix C of the same Code; but it seems reasonable to infer that the principle which admits this additional percentage during temporary absences - not exceeding 2 months - on duty on the production of certificate duly furnished in this case, that the rate of expenditure for house rent was continued, must be held to admit the grant of the ordinary rate of compensation under

Standing Order No. 14 of
1886 amending P.W.D. Code para 120e
was based on the Government of India
standing order No. 136 of 6th. Septem-
ber 1886 to Volume II, 4th edition,
chapter XVI, para 155 of the Govern-
ment of India P.W.D. Code, and the
intention probably was to allow also
compensation - in lieu of quarters
during temporary absence on duty;
but as the point is not clear it
will be best to refer it to the
Government of India. The extent
of temporary absence on duty, during
which, compensation is admissible,
might be settled at the same time.
