Read the following

Letter from the Superintending Engineer II Circle } A.E. No. 1620 Dtd 19th Dec/87
Office Note from the Examiners } A.E. No. 972 d/18th Jan'y 1888.
Pw accounts

The additional establishment proposed, consisting of:

- 1 Clerk IV class 1st grade
- 2 Clerks V class 2nd grade
- 1 Draftsman 2nd class.

is sanctioned as a temporary measure, till the end of the ensuing official year.

The Executive Engineer should endeavour, with the extra establishment now sanctioned, to attain more punctuality in the submission of his accounts, the date fixed

1620 K.S.

Eastern Division
Kistna. add'l permanent establishment for - forwarding a statement for -

necessary. I cannot understand why the Examiner thinks it would be useless. At present owing to the time allowed being too short the Examiner is constantly telegraphing to know when the accounts will be submitted and I also have to explain month by month why the accounts are not submitted by due date; I have but one reply - "Insufficiency of Establishment - and the fact that the date fixed for submission of accounts is too early". The Godavari Eastern Division is allowed to the 30th; why not this Division, where the work is equally heavy and the establishment less? The accounts used to be punctually submitted before the amalgamation of the Godavari Division and considering that the expenditure & work are increased 50 per cent. an extension of time ought I consider to be allowed. I would suggest therefore that sanction may be obtained both for the additional establishment and for the extension of the date of submission of accounts - applied for at an early date.

I have &c

/s/ J. Traill

Executive Engineer.

No 1620 K.S

Copy forwarded to the Chief Engineer Public Works Department together with the Statement of proposition for favor of sanctioning the Executive Engineer's recommendations both as regards additional establishment and the extension of the date of submission of accounts.

Circle.

2. With reference to the orders of the Govt. of India communicated with G.O. No. 2610 W. dated 4th

October 1887, it is for Govt. to decide whether the additional Establishment applied for may not be sanctioned as temporary.

3. My objection to extension of time is that the accounts of the division are too late already. The proper remedy seems to be to provide an establishment which can get the accounts ready in proper time, and generally to remove all causes of unpunctuality, whatever they may be.

From

The Executive Engineer in charge

Eastern Division Kistna.

To

The Superintending Engineer

2nd Circle.

Sir,

Referring to your letter N^o 1372 Ks dated 17th Instant, I have the honor to forward herewith a statement showing the increase of Establishment required and to request that you will be good enough to obtain the sanction of Government for the entertainment of the same permanently from 1st March 1888 and also temporarily for the remaining portion of the current official year.

2. I may add that several important works such as the Bank Canal, Varasayapalem Project, Madapalli Channel, Etlora Canal project improvements &c are expected to start immediately in addition to the numerous works already in hand and there is imperative need for increasing the establishment.

3 I also consider the extension of the date of submission of accounts to 30th of the month following that to which they refer is absolutely

1st Dec. to No 1620 Ks

Note - Before the amalgamation of Gudwadada with the Kistna Eastern Division, one clerk on a salary of Rs 40/1/2 and 1 Draftsman on a salary of Rs 35/1/2 were employed on the temporary establishment but their services were discontinued with at the very time they were needed more than ever, viz, on 1st March 1887, the date on which the Gudwadada Division was amalgamated with this. The net increase asked for by the addition of the Gudwadada Division is only 2 clerks II class 2nd grade - after making up the establishment to the extent which existed prior to the amalgamation.
