Sir,

ENCLOSURES.

With reference to your No. 3187C
22-8-88
regarding the examination, by the
Executive Engineer, Madura Division,
of the South Sub-Division office,
I have the honor to state that the
Exec: Engineer has reported as
follows:—

"I have been engaged in inspect-
"ing works during the last 2½ months
"in portions of the Division remote
"from the Head Quarters of the South
"Sub-Division, and that as there
"was no need for me to inspect
"works in that Sub-Division it did
"not seem advisable to spend a fort-
"night going there and returning
to

to the neglect of other work. Had
I known that so much importance
was attached to punctuality in the
inspection of the Sub-Division of
-fices I should have inspected that
of the South Sub-Division where
I was there in May.

I have the honor to be,
Sir,

Your most obed^t serv^t
