G.O., dated 12th March 1888, No. 23 R., Ecclesiastical.

Read—the following letter from the Venerable J. F. BROWNE, B.D., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 27th February 1888, No. 431 :—

I have the honor to forward, for the consideration of Government, a letter from the Church Committee of Christ Church, Cuddapah, requesting me to submit an estimate, amounting to Rs. 3,176, for repairing that church.

2. The report accompanying deals with the decayed condition of the roof, and states that the building is at present unsafe.

3. The church at Cuddapah was in course of erection through many years, Government having voted a grant-in-aid of Rs. 6,000 in February 1868, but it was not till September 1880 that the church was consecrated and handed to Government. The long delay seems to have caused deterioration of the materials even before the building was completed.

Order—dated 12th March 1888, No. 23 R., Ecclesiastical.

Transferred to the Public Works Department for consideration.

READ—the following papers:—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Madanapalle, 28th May 1888, No. 322:—

I have the honor to submit, for sanction of Government, a plan and estimate, amounting to Rs. 8,508, for constructing a new division office at Cuddapah. The design is in accordance with the combined Executive Engineer's and Superintending Engineer's offices built at Bellary.

2. The building at present used as the division office is so dilapidated as to be unsafe, and it will not stand much longer; the provision of a new building for the division office is, therefore, absolutely necessary.

Note by the Chief Engineer, Public Works Department.

The estimate, amounting to Rs. 8,508, for constructing a new division office at Cuddapah, is submitted for the sanction of Government with the following remarks:—

- (1) The design of the building is approved and the cost is considered reasonable.
- (2) No latrine has been provided for the clerks. The Superintending Engineer should report the arrangements proposed under this head.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, P.W.D.

ORDER—dated 9th June 1888, No. 1711 W., Public Works.

The estimate, amounting to Rs. 8,508, for constructing a new division office at Cuddapah, is sanctioned for execution when funds are available.

2. Attention is drawn to the Note by the Chief Engineer, Public Works Department, above recorded.

3. This sanction has been registered as Provincial No. 35 W. of 1888-89, and classified as Civil Buildings, Original Works.
