SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Examiners of  
P.W. Accounts.

SIR,

Enclosures.

With reference to para 2 of your Office Note to the Chief Engineer, P.W. Department No. 1743 dated 23<sup>rd</sup> June 1888, I have the honor to state that the General Superintendent P.W. Stores explains that the Accountant cannot very well be relieved of his duties as Cashier, as there is no other Clerk except the Deputy Storekeeper to undertake the duties and he could not be very well spared from his legitimate duties.

2 Para 4 of your Note - As List of Surplus Stores are to be printed and circulated yearly under G. O. No. 1762 D dated 14<sup>th</sup> June

June 1888. I have desired the  
General Superintendent to pub-  
lish notices in the Gazette  
and local news papers at the  
time the lists have been  
printed of Surplus stores  
being available for sale -  
particulars to be had on  
application.

3. Para 5 of your note. The  
General Superintendent states  
that to induce a large quan-  
-tity of Surplus Stock being  
purchased, it is expedient  
that liberal discounts should  
be allowed to large purchas-  
-ers. This does not seem  
objectionable.

I have the honor to be  
Sir  
Your most Obedt Servt.  
Henry Vincent Col. R.E.  
Superintendent of Hospitals.

OFFICE NOTE No. 2169

Encl: 1

To

W.

I beg to forward herewith,  
with remarks, further explanations  
from the Supg. Engineer 5th. Circle  
in regard to certain items in the  
last inspection report of the P.W.  
Stores Division, sent direct to me.

2. Item 4 of summary. It has  
for a long time been an accepted  
principle, and has been acted upon  
in every other division that the  
accountant should have nothing to  
do with payments; and as there are  
three clerks besides Mr. Gray, the  
storekeeper, it is not clear why  
it should be necessary for the  
accountant to have anything to do  
with payments.

The Government do not  
consider it practicable  
to alter at present the  
arrangement under which the  
accountant in the Public  
Works Stores is intrusted  
with payments. The  
circumstances of the  
Public Works Stores are  
different to those of  
ordinary divisions.
